Description of the need for the information and proposed use: HUD previously submitted this information under collection OMB 2577–0075 which included inventory removal information as well as information on amendments to the ACC. The reason for the move is

PHAs are required to submit information to HUD in connection with their grantee duties to operate and maintain/modernize public housing dwelling units and other real property under the United States Housing Act of 1937 (1937 Act) (42 U.S.C. 1437g). Section 9 of the 1937 Act permits the Secretary of HUD to make grants (*i.e.*, annual contributions) to public housing agencies (PHAs) to achieve and maintain the low-income character of public housing projects. The Secretary is required to embody the provisions for such annual contributions in an agreement (*i.e.*, the ACC). Applicable regulations are 24 CFR part 905 for public housing development and modernization.
