

**DEPARTMENT OF JUSTICE****Antitrust Division****[OMB Number: 1105–New]****Agency Information Collection****Activities: New Information Collection; Comment Request****AGENCY:** Antitrust Division, Department of Justice.**ACTION:** 30-Day notice of new information collection and request for comments; Procurement Collusion Strike Force complaint form.

**SUMMARY:** The Department of Justice, Antitrust Division, is submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

**DATES:** The Department of Justice encourages public comment and will accept input until March 5, 2020.

Written comments on the proposed information collection should be submitted to the Office of Management and Budget, Office of Information and Regulatory Affairs. Comments should be addressed to the OMB Desk Officer for the Department of Justice, and sent to [OIRA\\_submissions@omb.eop.gov](mailto:OIRA_submissions@omb.eop.gov).

**SUPPLEMENTARY INFORMATION:** Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Department of Justice, Antitrust Division, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**Overview of This Information Collection**

(1) *Type of Information Collection:* New information collection.

(2) *The Title of the Form/Collection:* Procurement Collusion Strike Force Complaint Form.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The applicable component within the Department of Justice is the Antitrust Division.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary respondents will be individuals or households. The Procurement Collusion Strike Force (PCSF) complaint form facilitates reporting by the public of complaints, concerns, and tips regarding potential antitrust crimes affecting government procurement, grants, and program funding. Respondents will be able to complete and submit information electronically through the PCSF complaint form on the Antitrust Division's website.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 500 respondents annually and 30 minutes for an individual to respond.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 250 annual burden hours.

*If additional information is required contact:* Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.

Dated: January 30, 2020.

**Melody Braswell,**

*Department Clearance Officer for PRA, U.S. Department of Justice.*

Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, CFD Research Corporation; Huntsville, AL; GattaCo, Inc.; Murrieta, CA; George Mason University; Fairfax, VA; Nutra Pharma Corporation; Coral Springs, FL, have been added as a party to this venture.

Also, Achaogen, Inc.; San Francisco, CA; Adapt Pharma, Inc.; Radnor, PA; Certara USA; Princeton, NJ; Colorado State University; Fort Collins, CO; Creare, LLC; Hanover, NH; GigaGen, Inc.; San Francisco, CA; Inflammatrix, Inc.; Burlingame, CA; Lynntech; College Station, TX; Nano Terra, Inc.; Cambridge, MA; Prosolia, Inc.; Indianapolis, IN; Southern Research Institute; Birmingham, AL; and Spero Therapeutics, Inc.; Cambridge, MA have withdrawn as parties from this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open and MCDC intends to file additional written notifications disclosing all changes in membership.

On November 13, 2015, MCDC filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on January 6, 2016 (81 FR 513).

The last notification was filed with the Department on October 24, 2019. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on November 25, 2019 (84 FR 64923).

**Suzanne Morris,**

*Chief, Premerger and Division Statistics Unit, Antitrust Division.*

**DEPARTMENT OF JUSTICE****Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—Medical CBRN Defense**

Notice is hereby given that, on January 16, 2020, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Medical CBRN Defense Consortium ("MCDC") has filed written notifications simultaneously with the Attorney General and the Federal Trade

**DEPARTMENT OF JUSTICE****Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—Open Source Imaging**

Notice is hereby given that, on January 14, 2020, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Open Source Imaging Consortium, Inc. ("OSI") has filed written notifications simultaneously with the Attorney General and the Federal Trade

Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Athens University Medical School, Athens, GREECE, has been added as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open and OSI intends to file additional written notifications disclosing all changes in membership.

On March 20, 2019, OSI filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on April 12, 2019 (84 FR 14973).

The last notification was filed with the Department on July 30, 2019. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on August 16, 2019 (84 FR 42012).

**Suzanne Morris,**

## DEPARTMENT OF LABOR

### Mine Safety and Health Administration

#### Petitions for Modification of Application of Existing Mandatory Safety Standards

**AGENCY:** Mine Safety and Health Administration, Labor.

**ACTION:** Notice.

**SUMMARY:** This notice is a summary of a petition for modification submitted to the Mine Safety and Health Administration (MSHA) by the parties listed below.

**DATES:** All comments on the petition must be received by MSHA's Office of Standards, Regulations, and Variances on or before March 5, 2020.

**ADDRESSES:** You may submit your comments, identified by "docket number" on the subject line, by any of the following methods:

1. *Electronic Mail:* [zzMSHA-comments@dol.gov](mailto:zzMSHA-comments@dol.gov). Include the docket number of the petition in the subject line of the message.
2. *Facsimile:* 202-693-9441.
3. *Regular Mail or Hand Delivery:* MSHA, Office of Standards, Regulations, and Variances, 201 12th Street South, Suite 4E401, Arlington,

Virginia 22202-5452, Attention: Roslyn B. Fontaine, Deputy Director, Office of Standards, Regulations, and Variances. Persons delivering documents are required to check in at the receptionist's desk in Suite 4E401. Individuals may inspect copies of the petition and comments during normal business hours at the address listed above.

MSHA will consider only comments postmarked by the U.S. Postal Service or proof of delivery from another delivery service such as UPS or Federal Express on or before the deadline for comments.

#### FOR FURTHER INFORMATION CONTACT:

Roslyn B. Fontaine, Office of Standards, Regulations, and Variances at 202-693-9440 (voice), [fontaine.roslyn@dol.gov](mailto:fontaine.roslyn@dol.gov) (email), or 202-693-9441 (facsimile). [These are not toll-free numbers.]

**SUPPLEMENTARY INFORMATION:** Section 101(c) of the Federal Mine Safety and Health Act of 1977 and Title 30 of the Code of Federal Regulations Part 44 govern the application, processing, and disposition of petitions for modification.

#### I. Background

Section 101(c) of the Federal Mine Safety and Health Act of 1977 (Mine Act) allows the mine operator or representative of miners to file a petition to modify the application of any mandatory safety standard to a coal or other mine if the Secretary of Labor determines that:

1. An alternative method of achieving the result of such standard exists which will at all times guarantee no less than the same measure of protection afforded the miners of such mine by such standard; or
2. The application of such standard to such mine will result in a diminution of safety to the miners in such mine.

In addition, the regulations at 30 CFR 44.10 and 44.11 establish the requirements for filing petitions for modification.

#### II. Petition for Modification

*Docket Number:* M-2020-001-C.

*Petitioner:* Warrior Met Coal Mining, LLC.

*Mines:* Mine No. 4, MSHA I.D. No. 01-01247 and Mine No. 7, MSHA I.D. No. 01-01401, located in Tuscaloosa County, AL.

*Regulation Affected:* 30 CFR 75.1911 (Fire suppression systems for diesel-powered equipment and fuel transportation units).

*Modification Request:* The petitioner requests a modification of the existing standard to allow use of a water-based chemical fire suppression system (instead of a dry chemical system) and a fire monitoring system. The petitioner

proposes to use the Fogmaker High-Pressure Water Mist Fire Suppression System ("Fogmaker System") manufactured by Fogmaker International AB for a variety of diesel equipment including track locomotives, track personnel carriers, outby forklifts, and outby shield haulers.

The petitioner states that:

(1) The two listed mines are both longwall mines that are geographically close, and use similar mining methods and equipment.

(2) Both mines operate in the Blue Creek coal seam located in Tuscaloosa County, Alabama, to produce coal.

The petitioner asserts that a water-based fire suppression system is to be used because it is as effective as a dry chemical system. In support of this view, the petitioner notes that the Fogmaker System has been certified by the Underwriters Laboratories (UL) and Factory Mutual (FM) standards. It has also received the following approvals: P-Mark SPCR 183, SP Test Method 4912—SP Technical Research Institute of Sweden; American Public Transportation Association Compliant (APTA-BTS-BS-RP-003, APTA BTS-BS-RP-001-05); US Department of Transportation Compliant (DOT 3AL 2216/DOT 173.306(f)); Transport Canada, Certificate #11140; AS5062, Australian Certification for Fire Suppression System on Transportable Machinery.

The petitioner asserts that the Fogmaker System meets all of the requirements specified under 30 CFR 75.1911, as follow:

(a) As an alternative to 30 CFR 75.1911(a), the water-based fire suppression Fogmaker System will be:

- (1) Engineered and installed to end fires at an early stage;
- (2) approved by an independent laboratory, using strict testing standards;
- (3) able to meet engineering, construction, and operational requirements to cover water-based automatic extinguisher units made for total flooding applications;
- and (4) tested for its capability to detect and suppress fires, and monitor operational systems. The Fogmaker System is made up of: Piston accumulator(s), release valve, connector for detection tube, detection bottle, safety valve, outlet for suppression fluid with protective plug, refilling connection for suppression fluid, bracket, clamp, gauge, safety screw, and 2G approved or braided stainless hoses.

(b) The Fogmaker System will achieve at least the same measure of protection afforded to the miners by mandatory standard 30 CFR 75.1911. The Fogmaker System meets the mandatory standard in the following manner: (1) The system
