II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) *Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

NASD proposes to amend Rules 2210 and 2211 to require member communications with the public, other than institutional sales material, that present mutual fund performance information to disclose the fund's fees, expenses and standardized performance. These new requirements would improve investor awareness of the costs of buying and owning a mutual fund, facilitate comparison of funds and make the presentation of standardized performance more prominent. The proposed rule change would require that:

- Performance sales material disclose the fees and expenses associated with purchase and ownership of the fund, derived from the fund's most recent prospectus and stated as a percentage of net assets;

- Performance sales material disclose the standardized performance of the mutual fund, as prescribed in SEC Rules 482 and 34b-1; and

- Advertisements (other than radio, television or video advertisements)
