OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. WTO/DS317]

WTO Dispute Settlement Proceeding Regarding United States—Measures Affecting Trade in Large Civil Aircraft

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (“USTR”) is providing notice of the request by the European Communities (“EC”) for the establishment of a dispute settlement panel under the Marrakesh Agreement Establishing the World Trade Organization (“WTO Agreement”) to examine certain U.S. measures affecting trade in large civil aircraft (“LCA”). The request for the establishment of a panel alleges that such measures are inconsistent with various provisions of the Agreement on Subsidies and Countervailing Measures (“SCM Agreement”) and the General Agreement on Tariffs and Trade 1994 (“GATT 1994”). USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before July 22, 2005 to be assured of timely consideration by USTR.

ADDRESSES: Comments should be submitted (i) electronically, to FR0506@ustr.eop.gov, with “United States—Aircraft (DS317)” in the subject line, or (ii) by fax, to Sandy McKinzy at (202) 395-3640, with a confirmation copy sent electronically to the e-mail address above.

FOR FURTHER INFORMATION CONTACT: Willis S. Martyn III, Associate General Counsel, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20508, (202) 395-3581; or Jonathan S. Kallmer, Assistant General Counsel, Office of the United States Trade Representative, 600 17th

Street, NW., Washington, DC 20508, (202) 395-3150.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act (“URAA”) (19 U.S.C. 3537(b)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Consistent with this obligation, USTR is providing notice that the establishment of a panel has been requested pursuant to the Understanding on Rules and Procedures Governing the Settlement of Disputes (“DSU”). The EC’s request for the establishment of a panel may be found at <http://www.wto.org> contained in a document designated as WT/DS317/2. If a panel is established, such panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations within six to nine months after it is established.

Major Issues Raised and Legal Basis of the Complaint

On October 6, 2004, the EC requested consultations with the United States with respect to certain U.S. measures affecting trade in LCA. Consultations were held on November 5, 2004.

On May 31, 2005, the EC requested the establishment of a panel pursuant to Article 6 of the DSU, Article XXIII:2 of the GATT 1994, and Articles 4, 7, and 30 of the SCM Agreement with respect to such measures. In its request, the EC alleges that such measures are inconsistent with Articles 3.1(a), 3.1(b), 3.2, 5(a), 5(c), 6.3(a), 6.3(b), and 6.3(c) of the SCM Agreement and Article III:4 of the GATT 1994. In particular, the EC claims that WTO-inconsistent subsidies were provided to the U.S. LCA industry by:

1. State and local governments in the States of Washington, Kansas, and Illinois through financial incentives such as tax advantages, bond financing, lease arrangements, corporate headquarters relocation assistance, research funding, infrastructure measures, and other measures;
2. The National Aeronautics and Space Administration (“NASA”), Department of Defense (“DoD”), and

Department of Commerce (“DOC”) through research and development (“R&D”) contracts, allowances, and other programs;

3. NASA, DoD, and DOC through the waiver of patent rights, the protection of trade secrets, and the granting of exclusive rights to data;

4. NASA and DoD through the procurement of goods on better than commercial terms;

5. NASA and DoD through the provision of personnel and research, test, and evaluation facilities support on a non-commercial basis;

6. The Department of Labor through a grant of funds to Edmonds Community College in the State of Washington; and

7. The U.S. Government through the Federal tax system, specifically through the American Jobs Creation Act of 2004, among other measures.

If the submitter believes that information or advice may qualify as such, the submitter—

(1) Must clearly so designate the information or advice;

(2) Must clearly mark the material as "SUBMITTED IN CONFIDENCE" at the top and bottom of the cover page and each succeeding page of the submission; and

(3) Is encouraged to provide a non-confidential summary of the information or advice.

Pursuant to section 127(e) of the URAA (19 U.S.C. 3537(e)), USTR will maintain a file on this dispute settlement proceeding, accessible to the public, in the USTR Reading Room, which is located at 1724 F Street, NW., Washington, DC 20508.
