Overview of This Information Collection

Collection Title: Elementary-Secondary Staff Information Report EEO-5.

OMB-Number: 0346-0003.

Frequency of Report: Biennial.

Type of Respondent: Public elementary and secondary school districts with 100 or more employees.

Description of Affected Public: State and Local Government.

Number of Responses: 5,000.

Reporting Hours: 12,000.

Federal Cost: \$80,000.

Number of Forms: 1.

Abstract: Section 709(c) of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e-8(c), requires employers to make and keep records relevant to a determination of whether unlawful employment practices have been or are being committed and to make reports therefrom as required by the EEOC. Accordingly, the EEOC has issued regulations which set forth the reporting requirement for various kinds of employers. Elementary and secondary public school systems and districts have been required to submit EEO-5 reports to EEOC since 1974 (biennially in even-numbered years since 1982). Since 1996 each school district or system has submitted all of the district data on a single form, EEOC Form 168A. The individual school form, EEOC Form 168B, was eliminated in 1996, greatly reducing the respondent burden and cost.

EEO-5 data are used by the EEOC to investigate charges of employment discrimination against elementary and secondary public school districts. The data are used to support EEOC decisions and conciliations, and for research. The data are shared with the Department of Education (Office for Civil Rights and the National Center for Education Statistics) and the Department of Justice. Pursuant to Section 709(d) of Title VII of the Civil Rights Act of 1964, as amended, EEO-5 data are also shared with 86 State and Local Fair Employment Practices Agencies (FEPAs).

Burden Statement: The estimated number of respondents included in the annual EEO-5 survey is 5000 public elementary and secondary school districts. The number of responses per respondent is one report. The annual number of responses is approximately 5,000 and the total hours per response ranges from one (1) to five (5) hours. The estimated total number of response hours is 12,000 each time the survey is conducted (i.e., biennially.) Respondents are encouraged to report

data on electronic media such as magnetic tapes and diskettes.

Dated: April 14, 2008.

Abstract: Section 709(c) of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e-8(c), requires employers to make and keep records relevant to a determination of whether unlawful employment practices have been or are being committed and to make reports therefrom as required by the EEOC. Accordingly, the EEOC has issued regulations which set forth the reporting requirements for various kinds

of employers. State and local governments with 100 or more full-time employees have been required to submit EEO-4 reports since 1973 (biennially in odd-numbered years since 1993). The individual reports are confidential.

EEO-4 data are used by the EEOC to investigate charges of discrimination against state and local governments and to provide information on the employment status of minorities and women. The data are shared with several other Federal government agencies. Pursuant to section 709(d) of Title VII of the Civil Rights Act of 1964, as amended, EEO-4 data are also shared with eighty-six State and Local Fair Employment Practices Agencies (FEPAs). Aggregated data are also used by researchers and the general public.

The estimated number of responses per respondent is approximately two (2) EEO-4 reports and the reporting burden averages between 1 and 5 hours per response, including the time needed to review instructions, search existing data sources, gather and maintain the data, and complete and review the collection of information. The total number of responses is thus 10,000 reports while the total burden is estimated to be 40,000 hours, including record keeping burden. In order to help reduce burden, respondents are encouraged to report data on electronic media such as diskettes.
