SUPPLEMENTARY INFORMATION:

Title: Horse Protection Regulations.

OMB Control Number: 0579–0056.

Type of Request: Revision to and extension of approval of an information collection.

Abstract: The Horse Protection Act (HPA) of 1970 (Pub. L. 91–540), as amended July 13, 1976 (Pub. L. 94–360), was enacted to prevent showing, exhibiting, selling, or auctioning of “sore” horses, and certain transportation of sore horses in connection therewith, at horse shows, horse exhibitions, horse sales, and horse auctions. “Soring” is a process whereby chemical or mechanical agents, or a combination thereof, are applied to the limbs(s) of a horse in order to exaggerate its gait(s). A “sore” horse is one that has been subjected to prohibited practices and, as a result, suffers, or can reasonably be expected to suffer, physical pain or distress, inflammation, or lameness when walking, trotting or otherwise moving. A horse that is “sore” is prohibited from entering or participating in HPA-regulated events because exhibitors, owners, and trainers of such horse may obtain unfair advantage over individuals exhibiting horses that are not “sore.”

Section 1828 of the HPA authorizes the promulgation of regulations to implement the provisions of the Act. Those regulations are found in 9 CFR part 11. The regulations delineate

procedures relative to three processes:

(1) Certification of licensing programs for Designated Qualified Persons (DQPs) that are operated by Horse Industry Organizations (HIOs). Managers and operators of HPA-regulated events may appoint and retain the services of DQPs to inspect and detect a horse that is sore or otherwise noncompliant with the HPA; (2) responsibilities and liabilities of management; and (3) prohibitions and requirements concerning persons involved in transportation of certain horses.

An HIO wishing to certify a program to license DQPs to inspect horses for compliance under the HPA must satisfy and abide by the requirements of the HPA and regulations. After requesting and receiving U.S. Department of Agriculture certification from the Animal and Plant Health Inspection Service (APHIS), HIOs must maintain an acceptable DQP program and recordkeeping systems. The responsibilities of HIOs, DQPs, event management, and horse transporters are outlined in the regulations.

APHIS works with HIOs on an ongoing basis to oversee their performance under the HPA. Throughout the year, APHIS uses training sessions, conference calls, and open letters to HIOs, event managers, exhibitors, owners, trainers, custodians, and farriers involved in HPA-covered activities to provide communication and feedback to address issues and strengthen enforcement under the Act. Data collected throughout the year from within APHIS and from the HIOs and event management provide an account of the HIOs' performance and progress toward eliminating the soring of horses and promoting fair competition. HIOs, through their certified licensing programs for DQPs, provide the primary means of detecting sored horses.

The regulations in 9 CFR part 12 provide the Rules of Practice applicable to adjudicatory, administrative proceedings under § 1825(a), (b), and (c) of the HPA. Subpart A incorporates the Uniform Rules of Practice promulgated in subpart H of 7 CFR part 1. Subpart B sets forth Supplemental Rules of Practice allowing stipulations in settlement of particular matters if specified procedures are followed.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities, as described, for 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; *e.g.*, permitting electronic submission of responses.

Estimate of burden: The public burden for this collection of information is estimated to average 1.17 hours per response.

Estimated annual number of respondents: 442.

Estimated annual number of responses per respondent: 6.

Estimated annual number of responses: 2,258.

Estimated total annual burden on respondents: 2,650 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 2nd day of March 2022.

Anthony Shea,

Administrator, Animal and Plant Health Inspection Service.

SUPPLEMENTARY INFORMATION:

UAIPAC Purpose

Section 12302 of the 2018 Farm Bill (Pub. L. 115-334) directs the Secretary of the USDA to establish an "Urban Agriculture and Innovative Production

Advisory Committee" to advise the Secretary on the development of policies and outreach relating to urban, indoor, and other emerging agricultural production practices; and any other aspects of the implementation of section 222 of the Reorganization Act of 1994 (Pub. L. 103-354), as added by the 2018 Farm Bill. UAIPAC will advise the Secretary of Agriculture on the development of policies and outreach relating to urban, indoor, and other emerging agricultural production practices; and will further develop recommendations.

In addition, UAIPAC will advise the Director of the Office of Urban Agriculture and Innovative Production on policies, initiatives, and outreach administered by that office. UAIPAC will evaluate and review ongoing research and extension activities relating to urban, indoor, and other innovative agricultural practices; identify new and existing barriers to successful urban, indoor, and other emerging agricultural production practices; and provide additional assistance and provide advice to the Director as appropriate.

UAIPAC Webinar

The UAIPAC will hold the first meeting on March 23 and 24, 2022. The virtual meeting will be open to the public and will provide an opportunity for stakeholders to participate and present their views.

The agenda will include, but is not limited to, welcome; introductions; administrative matters; and consultation on the National Institute of Food and Agriculture's Notice of Funding Opportunity for the Urban, Indoor and Emerging Agriculture grant, pursuant to Section 7212 of the Agriculture Improvement Act of 2018. Please check the UAIPAC website for the latest agenda details 24 to 48 hours prior to Friday, March 18, 2022, via <http://www.farmers.gov/urban>.

Submitting Written Comments and Presenting Oral Comments

Comments should address specific topics pertaining to urban agriculture, innovative production, and USDA programs and services. Written public comments will be accepted on or before 11:59 p.m. ET on Friday, March 18, 2022, via https://www.zoomgov.com/webinar/register/WN_sDAcexgNQKkuIEM3eRfNow. UAIPAC will not have adequate time to consider any comments submitted after Friday, March 18, 2022, prior to the meeting.

UAIPAC is providing the public an opportunity to provide oral comments and will accommodate as many

individuals and organizations as time permits. Persons or organizations wishing to make oral comments must pre-register by 11:59 p.m. ET, Friday, March 18, 2022, and may register for only one speaking slot. Instructions for registering and participating in the meeting can be obtained by contacting the person listed in the **FOR FURTHER INFORMATION CONTACT** section by or before the deadline.

Meeting Accommodations

If you are a person requiring reasonable accommodation, please make requests in advance for sign language interpretation, assistive listening devices, or other reasonable accommodation, to the person listed under the **FOR FURTHER INFORMATION CONTACT** section. Determinations for reasonable accommodation will be made on a case-by-case basis.

Dated: March 3, 2022.
