Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions

of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov.

(SSA), Social Security Administration, DCRDP, Attn: Reports Clearance Director, 107 Altmeyer Building, 6401 Security Blvd.,

Baltimore, MD 21235, Fax: 410-966-2830, Email address:

OR.Reports.Clearance@ssa.gov.

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than November 12, 2013. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Agreement to Sell Property—20 CFR 416.1240—416.1245—0960-0127.* Individuals or couples who are otherwise eligible for Supplemental Security Income (SSI) payments but whose resources exceed the allowable limit may receive conditional payments if they agree to dispose of the excess non-liquid resources and make repayments. SSA uses Form SSA-8060-U3 to document this agreement, and to ensure the individuals understand their

obligations. Respondents are applicants for and recipients of SSI payments who

will be disposing of excess non-liquid resources.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-8060-U3	20,000	1	10	3,000

2. *Epidemiological Research Report—20 CFR 401.165—0960-0701.* Section 311 of the Social Security Independence and Program Improvements Act of 1994 directs SSA to support health researchers involved in epidemiological research. Specifically, when we determine a study contributes to a

national health interest, SSA furnishes information to determine if a study subject appears in SSA administrative records as alive or deceased (vital status). SSA charges a small fee per request for providing this information. Web-posted questions solicit the information SSA needs to provide the

data and to collect the fees. The respondents are qualified health and scientific researchers who are applying to receive vital status information about individuals from Social Security administrative data records.

Type of Request: Revision of an OMB-approved information collection.

II. SSA submitted the information collection below to OMB for clearance. Your comments regarding the information collection would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than

October 15, 2013. Individuals can obtain copies of the OMB clearance package by writing to *OR.Reports.Clearance@ssa.gov*.

Disability Report—Child—20 CFR 416.912—0960-0577. Sections 223(d)(5)(A) and 1631(e)(1) of the Social Security Act (Act) require SSI claimants to furnish medical and other evidence to prove they are disabled. SSA uses Form SSA-3820 to collect various types of information about a child's condition from treating sources or other medical

sources of evidence. State Disability Determination Services evaluators use the information from Form SSA-3820 to develop medical and school evidence, and to assess the alleged disability. The information, together with medical evidence, forms the evidentiary basis upon which SSA makes its initial disability evaluation. The respondents are claimants seeking SSI childhood disability payments.
