### Drug Enforcement Administration

#### Nasim F. Khan, M.D.; Denial of Application

On June 8, 2007, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause to Nasim F. Khan, M.D. (Respondent), of Houston, Texas. The Show Cause Order proposed the denial of Respondent's pending application for a DEA Certificate of Registration as a practitioner on two grounds: (1) That she lacked authority under state law to handle controlled substances, and (2) that her "registration would be inconsistent with the public interest." Show Cause Order at 1; *see also* 21 U.S.C. 823(f).

The Show Cause Order specifically alleged that "[o]n June 26, 2006, [Respondent's] Texas Controlled Substance Registration was terminated," and that she was therefore "not currently authorized by the State of Texas to prescribe, dispense, or otherwise handle controlled substances." Show Cause Order at 1. The Show Cause Order further alleged that Respondent had committed acts inconsistent with the public interest because she had "allowed [her] DEA registration to be used to dispense controlled substances for other than legitimate medical purposes" and had "engage[d] in self-prescribing of controlled substances, in violation of the Texas Controlled Substances Act." *Id.*

On June 15, 2007, the Show Cause Order, which also notified Respondent of her right to request a hearing on the allegations, was served on Respondent by Federal Express delivered to her residence. Because: (1) More than thirty days have passed since service of the Show Cause Order, and (2) neither Respondent, nor anyone purporting to represent her, has requested a hearing, I conclude that Respondent has waived her right to a hearing. *See* 21 CFR 1301.43(d). I therefore enter this Final Order without a hearing based on relevant material contained in the
