National Committee on Foreign Medical Education and Accreditation; Meeting

AGENCY: National Committee on Foreign Medical Education and Accreditation, Department of Education.

What Is the Purpose of This Notice?

The purpose of this notice is to announce the upcoming meeting of the National Committee on Foreign Medical Education and Accreditation. Parts of this meeting will be open to the public, and the public is invited to attend those portions.

When and Where Will the Meeting Take Place?

We will hold the meeting on September 15, 2000 beginning at 9:00 a.m. at the U.S. Department of Education, in the 8th Floor Conference Center, 1990 K Street, N.W., Washington, D.C. 20006.

What Access Does the Conference Center Provide for Individuals With Disabilities?

The meeting site is accessible to individuals with disabilities. If you will need an auxiliary aid or service to participate in the meeting (e.g., interpreting service, assistive listening device, or materials in an alternate format), notify the contact person listed in this notice at least two weeks before the scheduled meeting date. Although we will attempt to meet a request received after that date, we may not be able to make available the requested auxiliary aid or service because of insufficient time to arrange it.

What Are the Functions of the Committee?

The National Committee on Foreign Medical Education and Accreditation was established by the Secretary of Education under section 102 of the Higher Education Act of 1965, as amended by Public Law 105-244. The Committee's responsibilities are to (1) evaluate the standards of accreditation applied to applicant foreign medical schools; and (2) determine the comparability of those standards to standards for accreditation applied to United States medical schools.

What Are the Issues To Be Considered At This Meeting?

The National Committee on Foreign Medical Education and Accreditation will review the standards of accreditation applied to medical schools by several foreign countries to determine whether those standards are

comparable to the standards of accreditation applied to medical schools in the United States. Discussions of the standards of accreditation will be held in sessions open to the public. Discussions that focus on specific determinations of comparability are closed to the public in order that each country may be properly notified of the decision. Beginning August 18, you may call to obtain the identity of the countries whose standards are to be evaluated during this meeting.

Who Is the Contact Person for the Meeting?

Please contact Bonnie LeBold, who is the Executive Director of the National Committee on Foreign Medical Education and Accreditation, if you have questions about the meeting.
