

Instructions for Completing the NFJP Budget Information Summary (BIS)

General Instructions. The BIS is required for each Section 167 grantee's program and is a required part of the annual grant application. Planned expenditures are arrayed cumulatively by program year quarter.

a. Grantee Name and Address - Enter the name and complete mailing address.

b. Grant Number - Enter the grant number for the reporting year of appropriation.

c. Period of Grant - Enter the month, day, and year of the program year's starting and ending dates.

d. Modification - FOR GRANT OFFICER USE ONLY.

SECTION I - Cumulative Quarterly Projections of Expenditures by Cost Categories - Annual projections of costs by quarter. Planning periods correspond to WIA Program Year quarters; for NFJP, the Program Year is from July 1 through June 30. Please round entries on the BIS to the nearest whole dollar. Entries must be listed for all the items below.

Column (A) Grant Program Function and Activity

Line A.1. Program Costs - Enter, for each quarter, the cumulative projected costs for program activities listed below. The entry for Line A.1. for each period is the sum of the entries for Lines A.1.a. and A.1.b. Program costs are described in 20 CFR 669, subpart C.

Line A.1.a. Related Assistance - These are projected costs of related assistance services as described in Section 669.430.

Line A.1.b. All Other Program Services - All program costs that are not Related Assistance services costs.

Line 2. Administration - Enter, for the quarterly periods, the projected

expenditures for administrative costs as described in the regulations at §667.220.

Line 3. Total Grant Costs - Enter the projected sum of Lines A.1. and A.2.

Section II. AVAILABLE FUNDS

Line II.A. Balance in Previous Year Grant - For incumbent grantee only, enter the amount of projected unexpended WIA Section 167 funds remaining from the preceding program year's allocation. The amount listed in this line item is the uncommitted grant funds available for expenditure in the fifth quarter of the previous grant.

Line II.B. New Obligational Authority - Enter the amount of the grant award for the program year covered by this financial planning document.

Line II.C. Total Available Funds - Enter the projected sum of Line II.A and II.B. This amount must equal Section I Line 3, for the 4th quarter.

NATIONAL SCIENCE FOUNDATION Proposal Review; Notice of Meeting

In accordance with the Federal
Advisory Committee Act (Pub. L. 92-

463, as amended), the National Science Foundation (NSF) announces its intent to hold proposal review meetings throughout the year. The purpose of these meetings is to provide advice and recommendations concerning proposals

submitted to the NSF for financial support. The agenda for each of these meetings is to review and evaluate proposals as part of the selection process for awards. The majority of these meetings will take place at NSF, 4201 Wilson Blvd., Arlington, Virginia 22230.

All of these meetings will be closed to the public. The proposals being reviewed include information of a proprietary or confidential nature, including technical information; financial data, such as salaries; and personal information concerning individuals associated with the proposals. These matters are exempt under 5 U.S.C. 552b(c), (4) and (6) of the Government in the Sunshine Act. NSF will continue to review the agenda and merits of each meeting for overall compliance of the Federal Advisory Committee Act.

These closed proposal review meetings will no longer be announced on an individual basis in the **Federal Register**. NSF intends to publish a notice similar to this on a quarterly basis. For an advance listing of the closed proposal review meetings that include the names of the proposal review panel and the time, date, place, and any information on changes, corrections, or cancellations, please visit the NSF Web site: <http://www.nsf.gov/home/pubinfo/advisory.htm>. This information may also be requested by telephoning (703) 292-8182.

Dated: May 6, 2003.

NUCLEAR REGULATORY COMMISSION

Documents Containing Reporting or Recordkeeping Requirements: Office of Management and Budget (OMB) Review

AGENCY: Nuclear Regulatory Commission (NRC).

ACTION: Notice of the OMB review of information collection and solicitation of public comment.

SUMMARY: The NRC has recently submitted to OMB for review the following proposal for the collection of information under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35).

1. *Type of submission, new, revision, or extension:* Revision.

2. *The title of the information collection:* 10 CFR Part 50, "Risk-Informed Categorization and Treatment of Structures, Systems, and Components," proposed rule.

3. *The form number if applicable:* Not applicable.

4. *How often the collection is required:* Information is required to be collected when categorization is performed and when replacement components are designed, procured, installed, and tested by the licensee. Reporting of conditions is required when discovered. A one-time submittal is required for implementation, for those licensees (or applicants) who choose to follow the requirements in section 50.69 in lieu of other requirements.

5. *Who will be required or asked to report:* Power reactor licensees and applicants who voluntarily adopt the provisions of section 50.69.

6. *An estimate of the number of annual responses:* Part 50 would result in 10 responses (6 additional reports and 4 additional records); Part 21 would result in a reduction of 2 responses; and section 50.73 reporting would result in a reduction of 4 responses.
