

along with GPRA information from other EPA programs.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 218 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: State or local agencies or nongovernmental organizations in the NEP who receive grants under Section 320 of the Clean Water Act.

Estimated Number of Respondents: 28.

Frequency of Response: Annual.

Estimated Total Annual Burden Hours: 5,833.

Estimated Total Annual Cost: \$409,349, includes \$0 annualized capital or O&M costs.

Changes in the Estimates: There is a decrease of 280 hours, which is a result of the information collection process being more streamlined and efficient.

Dated: October 10, 2006.
