

represent an exclusive discussion of the advisable elements of a compliance program.

Through this **Federal Register** notice, the OIG is seeking input from interested parties as the OIG considers revising the CPG for the hospital industry. The OIG will consider all comments, recommendations and suggestions received within the time frame indicated above. The OIG would appreciate specific comments, recommendations and suggestions on (1) risk areas for the hospital industry, and (2) aspects of the seven elements contained in the previous CPGs that may need to be modified in light of recent developments in the hospital industry and changes in Federal health care program systems. Detailed justifications and empirical data supporting any suggestions would be appreciated.

We request that any comments, recommendations or suggestions be submitted in a format that address the topics outlined above in a concise manner, rather than in the form of a comprehensive draft guidance that mirrors previous CPGs.

Dated: May 29, 2002.

Janet Rehnquist,
Inspector General.
