

issues addressed in the Issues and Decision Memorandum is provided in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Verification

From April 1 through 4, 2024, Commerce verified the questionnaire responses of Co May in Vietnam.⁹ We used standard verification procedures, including an examination of relevant sales and accounting records, and original source documents provided by Co May.

Changes Since the Preliminary Results

Based on a review of the record, as well as our verification procedures, Commerce made certain changes to the margin calculations for Co May.¹⁰

Final Results of Review

The estimated weighted-average dumping margin for the final results of this new shipper review is as follows:

Exporter	Weighted-average dumping margin (dollars per kilogram)
Co May Import-Export Company Limited	\$0.00

Disclosure

We intend to disclose the calculations performed for the final results of this review to parties in this proceeding within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Assessment Rates

Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Pursuant to 19 CFR 351.212(b)(1), because Co May's

weighted-average dumping margin is zero, we will instruct CBP to liquidate Co May's entry without regard to antidumping duties. Pursuant to Commerce's assessment practice,¹¹ for entries of Co May's merchandise that were not reported in the U.S. sales data submitted by Co May during this review, Commerce will instruct CBP to liquidate such entries at the Vietnam-wide entity rate.

Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): (1) for subject merchandise produced and exported by Co May, no cash deposit will be required; (2) for subject merchandise exported by Co May, but not produced by Co May, the cash deposit rate will be the rate for the Vietnam-wide entity; and (3) for subject merchandise produced by Co May, but not exported by Co May, the cash deposit rate will be the rate applicable to the exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative

protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

Commerce is issuing and publishing these final results of review in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act, and 19 CFR 351.214.

Dated: June 14, 2024.
Ryan Majerus,
Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Appendix

- List of Topics Discussed in the Issues and Decision Memorandum**
- I. Summary
 - II. Background
 - III. Scope of the Order
 - IV. Changes Since the Preliminary Results
 - V. Discussion of the Issue
 - Comment 1: *Bona Fide* Nature of Co May's Sale
 - VI. Recommendation

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; SABIT Participant Application, Participant Surveys, Alumni Survey

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested

⁹ See Memorandum, "Verification of the Questionnaire Responses of Co May Import-Export Company Limited in the New Shipper Review of Certain Frozen Fish Fillets from the Socialist Republic of Vietnam," dated May 8, 2024.
¹⁰ For a full description of these changes, see Issues and Decision Memorandum.
¹¹ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011).

via the **Federal Register** on April 16, 2024 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: International Trade Administration, Commerce.

Title: SABIT Participant Application, Participant Surveys, Alumni Survey.

OMB Control Number: 0625–0225.

Form Number(s): ITA–4143P–3.

Type of Review: Regular submission (revision of a currently approved information collection).

Number of Respondents: 3,050.

Average Hours per Response: Participant application, 3 hours; participant pre-program survey, 6 minutes; participant post-program survey, 6 minutes; alumni survey, 1 hour.

Burden Hours: 6,655.

Needs and Uses: The SABIT Program of the Department of Commerce's International Trade Administration (ITA), is a key element in the U.S. Government's efforts to support the economic transition of Eurasia (the former Soviet Union) and to support economic growth in other regions of the world, including countries in Europe, South Asia, and the Middle East, et al. SABIT develops and implements two-week training programs in the United States for groups of up to 20 business and government professionals from Eurasia and other regions. These professionals meet with U.S.

government agencies, non-governmental organizations and private sector companies in order to learn about various business practices and principles. This unique private sector-U.S. Government partnership was created in order to tap into the U.S. private sector's expertise and to assist developing regions in their transition to market-based economies while simultaneously boosting trade between the United States and other countries. SABIT also develops and implements virtual events for its alumni and other participants that provide industry-specific training on best practices for business and management and fosters contacts with U.S. organizations.

Affected Public: Individuals or households; Business or other for-profit organizations.

Frequency: Each form is filled out once per respondent.

Estimated Total Annual Cost to Public: \$120,318.

Respondent's Obligation: Voluntary.

Legal Authority: Section 632(a) of the Foreign Assistance Act of 1961, as amended (the "FAA"), and pursuant to the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2018 (Div. K, Pub.

L. 115–141); Foreign Aid and Transparency and Accountability Act of 2016.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0625–0225.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Under Secretary for Economic Affairs, Commerce Department.

Harvard University et al.; Application(s) for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89–651, as amended by Pub. L. 106–36; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before (Insert date 20 days after publication in the **Federal Register**). Address written comments to Statutory Import Programs Staff, Room 41006, U.S. Department of Commerce, Washington, DC 20230. Please also email a copy of those comments to Dianne.Hanshaw@trade.gov.

Docket Number: 24–013. Applicant: Harvard University, 17 Oxford Street, Jefferson 158, Cambridge, MA 02138. Instrument: Narrow linewidth single frequency fiber laser. Manufacturer: Shanghai Precilaser Technology, Co., Ltd., China. Intended Use: The instrument is intended to be used for the high power (15 W), single frequency laser system at 828.5 nm will be used in a quantum physics experiment at

Harvard for optical tweezer trapping of rubidium-87 atoms. The available laser power will allow many more of these atoms (thousands) to be controlled than previously demonstrated (hundreds). This will allow the study of larger quantum systems with properties and fidelities far exceeding smaller systems. Justification for Duty-Free Entry: According to the applicant, there are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: May 8, 2024.

Docket Number: 24–014. Applicant: Drexel University, Rm-MS 3701, Market Street, RM 470, Central Receiving, 34th & Ludlow Streets, Philadelphia, PA 19104.

Instrument: Battery fabrication equipment. Manufacturer: Xiamen TOB New Energy. Intended Use: The instrument is intended to be used to understand how battery electrodes are made, how to improve their processing, and how to make higher performance rechargeable batteries. The battery materials include oxides, and carbons and the phenomena is battery electrode microstructure and performance. Justification for Duty-Free Entry: According to the applicant, there are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: April 9, 2024.

Docket Number: 24–015. Applicant: Harvard University, 17 Oxford Street, Jefferson 158, Cambridge, MA 02138. Instrument: Narrow Linewidth Laser. Manufacturer: Shanghai Precilaser Technology, Co., Ltd., China. Intended Use: The high power (15 W), narrow-linewidth/single frequency laser system at 852 nm will be used in a quantum physics experiment at Harvard for optical tweezer trapping of rubidium-87 atoms. Narrow-linewidth operation of the laser is critical to the method of optical tweezer generation we use to trap atoms, and we need as much power as possible to perform experiments on the largest possible quantum systems. The wavelength of 852 nm is important because it is sufficiently far detuned from the atomic transition to provide long qubit coherence time. Justification for Duty-Free Entry: According to the applicant, there are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: April 29, 2024.

Docket Number: 24–016. Applicant: Cornell University, 377 Pine Tree Rd., Ithaca, NY 14850.

Instrument: Closed-cycle cryostat sample manipulator for ultra-low
