

the match. The DMDC is the specific recipient activity or matching agency, i.e., the agency that actually performs the computer matching.

B. Purpose of the Match: Establishes the conditions, safeguards, and procedures under which the OPM, as the source agency, will disclose FEHB program eligibility and Federal employment information to DoD, as the recipient agency. This disclosure by OPM will provide the DoD with the FEHB program eligibility and Federal employment information necessary to either verify the eligibility to enroll or verify the continuing eligibility of enrolled Service members for premium based TRICARE health plans such as the TRICARE Reserve Select (TRS) and the TRICARE Retired Reserve (TRR).

C. Legal Authority: This CMA is executed to comply with section 552a of Title 5, United States Code (U.S.C.), as amended (the Privacy Act of 1974), Public Law (Pub. L.) 100–503, the Computer Matching and Privacy Protection Act (CMPPA) of 1988, the Office of Management and Budget (OMB) Circular A–130, titled “Management of Federal Information Resources” at 61 **Federal Register** (FR) 6435, February 20, 1996, and OMB guidelines pertaining to computer matching at 54 FR 25818, June 19, 1989. Section 706 of Public Law 109–364, the John Warner National Defense Authorization Act of 2007, amended section 1076d of Title 10, U.S.C. to establish the enhanced TRS health plan as of October 1, 2007. Section 705 of Public Law 111–84, National Defense Authorization Act for Fiscal Year 2010, amended section 1076e of Title 10, U.S.C. to establish the TRR health plan as of October 29, 2009. RC Service members who have continuing eligibility for the FEHB program pursuant to chapter 89 of Title 5, U.S.C. are not eligible to enroll, or continue an enrollment, in the TRS or the TRR program. This agreement implements the additional validation processes needed by DoD to insure RC Service members eligible for the FEHB program may not enroll, or may not continue a current enrollment, in the TRS or the TRR health plan.

D. Records To Be Matched: Systems of Records (SOR). DoD will use the SOR identified as DMDC 02 DoD, entitled “Defense Enrollment Eligibility Reporting System (DEERS), November 21, 2012, 77 FR 69807.” The SSNs of RC Service members released to OPM pursuant to the routine use “20a” set forth in the system notice DMDC 02 DoD. Systems of Records (SOR). OPM provides identification of the FEHB program status of RC Service members

to validate the eligibility for the statutory requirement of the TRS and the TRR program. Therefore, eligibility information is maintained in the SOR identified as OPM/GOVT–1 entitled “General Personnel Records, December 11, 2012, 77 FR 79694.

E. Description of Computer Matching Program: Under the terms of this matching agreement, the Defense Manpower Data Center (DMDC) will provide to OPM a file of records consisting of Social Security Number (SSN), date of birth (DOB), and the name of Service members of the Ready Reserve, Standby Reserve, and Retired Reserve of the Armed Forces of the United States. DMDC will update the Defense Enrollment Eligibility Reporting System (DEERS) record of those RC Service members with FEHB program eligibility information from the OPM response file. The Office of the Assistant Secretary of Defense for Reserve Affairs (OASD(RA)) will be responsible for providing the verified information to the RCs to aid in processing of TRS and TRR eligibility determinations. OPM agrees to conduct two computer matches within a calendar year of the records of RC Service members provided by DMDC matched with the information found in OPM’s Enterprise Human Resources Integration (EHRI) system for permanent employees in a current pay status. OPM will validate the identification of the RC records that match with the name, SSN and DOB provided by DMDC. OPM will provide the Civilian Agency Indicator, the full FEHB Program Plan Code, a Multiple Record Indicator, and a DOB Match Indicator. OPM will forward a response file to DMDC within 30 business days following the receipt of the initial finder file and for all subsequent files submitted.

F. Inclusive Dates of the Matching Program: This computer matching program is subject to public comment and review by Congress and the Office of Management and Budget. If the mandatory 30 day period for comment has expired and no comments are received and if no objections are raised by either Congress or the Office of Management and Budget within 40 days of being notified of the proposed match, the computer matching program becomes effective and the respective agencies may begin the exchange at a mutually agreeable time and thereafter on a quarterly basis. By agreement between OPM and DMDC, the matching program will be in effect for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the

other by written request to terminate or modify the agreement.
