Comments: Before submitting an ICR to OMB, PRA section 3506(c)(2)(A) requires each agency to “* * * provide 60-day notice in the **Federal Register** * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *.” Agencies must specifically solicit comments to (a) evaluate whether the proposed collection of information is necessary in order for the agency to perform its duties, including whether the information is useful; (b) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information that the agency collects; and (d) minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.
