### National Park Service

#### Land Exchange at Richmond National Battlefield Park

**AGENCY:** National Park Service, Interior.

**ACTION:** Announcement of land exchange.

**SUMMARY:** This notice announces a proposed exchange of a 0.32-acre parcel of Federal land in Chesterfield County, Virginia for a 236-acre parcel of privately owned land in Hanover County, Virginia. Both properties are inside the boundaries of Richmond National Battlefield Park (the Park). Acquisition of this 236-acre property will allow the Park to protect the resources and more fully interpret the Battle of Beaver Dam Creek for visitors in perpetuity. An Environmental Survey Assessment of the proposed exchange and a Cultural Resource Survey have been made of the lands involved in this proposed exchange. The parcels have been surveyed for endangered and

threatened species. Copies of the surveys are available upon request.

I. The following described 0.32-acre parcel of Federal land, located in the Drewry's Bluff Unit of the Park, has been determined to be suitable for disposal by exchange. Federal Tract 03–110 is located near Fort Darling Road in Chesterfield County. It is a 0.32-acre portion of a 23-acre tract acquired in 1936 by the United States, National Park Service by Deed Book 1179 at Page 843 recorded at the Clerk's Office of the Circuit Court of Chesterfield County, Virginia. The parcel is a 30-foot wide strip of land which is currently occupied by underground pipes that are a portion of a five mile long acid and water pipeline owned by E.I. DuPont de Nemours & Company (DuPont). The pipeline was installed in 1980 under a special use permit which has expired, and the National Park Service has no authority to renew it. This strip of land is approximately 100 feet from the northbound lanes of Interstate 95 and is crossed by the entrance road to the Drewry's Bluff Unit of the Park.

The United States will convey fee simple title to Tract 03–110, together with a right-of-way for access from Fort Darling Road, by a quitclaim deed to DuPont. The deed will include permanent restrictions that prohibit construction of any above ground improvements and will require DuPont to restore the surface of the ground to its previous condition, in the event the ground is disturbed for any reason. The United States will retain a permanent right-of-way across the parcel for public access to the Drewry's Bluff Unit.

II. In exchange for the land described in paragraph I above, the United States will acquire fee title to Tract 01–114, a 236-acre unimproved parcel of land owned by The Conservation Fund (TCF) located on Old Cold Harbor Road in Hanover County, in the Beaver Dam Creek Unit of the Park. Both surface and mineral estates of the 236-acre parcel are to be exchanged. All right, title and interest in the Chesterfield County parcel is to be conveyed by the United States in exchange for the conveyance of all right, title and interest in the Hanover County parcel by TCF. The land conveyed to the United States will be administered by the National Park Service as part of the Richmond National Battlefield Park upon completion of the exchange. This exchange will ensure the protection of 236 acres of the Beaver Dam Creek Battlefield and provide DuPont with ownership of a small strip of land that is occupied by a portion of its underground pipeline.
