Notice of Inventory Completion: Archaeological Survey of Idaho Western Repository, Idaho State Historical Society, Boise, ID

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Archaeological Survey of Idaho Western Repository, Idaho State Historical Society (ASI-WR), has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after July 17, 2025.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice

to Tricia L. Canaday, Idaho State Historical Society, 210 Main Street, Boise, ID 83702, email tricia.canaday@ishs.idaho.gov and Lindsay D. Johansson, Archaeological Survey of Idaho—Western Repository, Idaho State Historical Society, 210 Main Street, Boise, ID 83702, email lindsay.johansson.ishs@outlook.com.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the ASI-WR, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, 19 individuals have been identified. The 26 associated funerary objects are stone tools, shell beads, bone tools, and ochre. The individuals and associated funerary objects were recovered in 1967 and 1968 by Idaho State University and Boise State College during excavations on private land in Weiser, Washington County, Idaho. They were transferred to the ASI-WR in the 1980s as part of a statewide redistribution of archaeological collections and represent several distinct primary and secondary burials interred between 3000- and 6000-years BP.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The ASI-WR has determined that:

- The human remains described in this notice represent the physical remains of 19 individuals of Native American ancestry.
- The 26 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Nez Perce Tribe ; Shoshone Bannock Tribes of the Fort Hall Reservation; and the Shoshone Paiute Tribes of the Duck Valley Reservation, Nevada.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after July 17, 2025. If competing requests for repatriation are received, the ASI-WR must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The ASI-WR is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: June 11, 2025.

Notice of Intended Repatriation: Fine Arts Museums of San Francisco, San Francisco, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Fine Arts Museums of San Francisco (FAMSF) intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural items in this notice may occur on or after July 17, 2025.

ADDRESSES: Send additional, written requests for repatriation of the cultural items in this notice to Christina Hellmich, Fine Arts Museums of San Francisco, 50 Hagiwara Tea Garden Drive, San Francisco, CA 94118, email chellmich@famsf.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of FAMSF and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of two cultural item lots have been requested for repatriation. The two objects of cultural patrimony are one lot of pestles and one lot of mortars. These two lots of cultural items (FAMSF Accession 51890) were removed at some point, before 1924, from Folsom, CA. These cultural items were gifted to FAMSF by Mr. Raymer W. Hayes in memory of Colonel John F. Hayes in 1924. In 1964, FAMSF loaned part of one lot to the East Bay Regional Parks District. In 2019, East Bay Regional Parks returned one item to FAMSF. There is no documentation of the presence of any potentially hazardous substances used to treat any of the cultural items.

Determinations

FAMSF has determined that:

- Two lots of objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.

- There is a reasonable connection between the cultural items described in this notice and the Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (Verona Tract), California; United Auburn Indian Community of the Auburn Rancheria of California; and the Wilton Rancheria, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized

representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after July 17, 2025. If competing requests for repatriation are received, FAMSF must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. FAMSF is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.

Dated: June 11, 2025.

Notice of Inventory Completion: California Department of Transportation, Oakland, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the California Department of Transportation (Caltrans) has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the associated funerary objects in this notice may occur on or after July 17, 2025.

ADDRESSES: Send written requests for repatriation of the associated funerary objects in this notice to Lindsay Busse and Althea Asaro, PQS Principal Investigators—Prehistoric Archaeology,

California Department of Transportation, District 4, 111 Grand Avenue, Oakland, CA 94612, email lindsay.busse@dot.ca.gov and althea.asaro@dot.ca.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Caltrans, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Associated funerary objects have been identified totaling 76 catalog entries representing lithics, faunal remains, shell, net sinker, and ground stone artifacts. Of the 76 associated funerary objects, no catalog numbers are missing. These two collections are from Marin County along Highway 1 near Point Reyes Station, Tomales Bay and are housed at Sonoma State University (SSU). The collections are the result of Caltrans project-delivery related excavations at the following sites between 1999 and 2006: CA-MRN-482/H (Acc. 2022-7); CA-MRN-651 (Acc. 2022-6). There are no known/ documented potentially hazardous substances used to treat any of the cultural items.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

Determinations

Caltrans has determined that:

- The 76 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between associated funerary objects described in this notice and the Federated Indians of Graton Rancheria, California.

Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:
