BILLING CODE 4810-33-P

DEPARTMENT OF THE TREASURY

Office of the Comptroller of the Currency

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Minimum Security Devices and Procedures, Reports of Suspicious Activities, and Bank Secrecy Act Compliance Program

AGENCY: Office of the Comptroller of the Currency (OCC), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995.

Under the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) (PRA), Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information.

In accordance with the requirements of the PRA, the OCC may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number.

The OCC is soliciting comments concerning the currently approved

Minimum Security Devices and Procedures, Reports of Suspicious Activities, and Bank Secrecy Act Compliance Program information collection. The Minimum Security Devices and Procedures and Bank Secrecy Act Compliance Program portion of the information collection is being extended without change. The OCC is proposing to extend, with revision, the interagency suspicious activity report (SAR-DI) portion of the collection and is inviting comments on this revision.

As the Bank Secrecy Act (BSA) administrator, the Financial Crimes Enforcement Network (FinCEN) in the U.S. Department of Treasury is changing from a system originally designed for collecting industry-specific paper forms to a modernized information technology environment centered on electronic reporting. Based on financial institution type, depository institutions, broker-dealers in securities, futures commission merchants and introducing brokers in commodities, insurance companies, mutual funds, money services businesses, and casinos file reports on four separate forms. FinCEN's new approach is to have one electronically filed interactive BSA SAR that will be used by all filing institutions to report suspicious activity as of April 1, 2013.

There are no proposed changes to the suspicious activity report regulation. National banks and federal savings associations supervised by the OCC will continue to follow the regulation, interagency guidance, and filing instructions to determine when a report should be filed and what information should be included in the report.

The interactive BSA SAR has several new data fields and introduces data fields from the SARs of other industries. On March 29, 2012, FinCEN released guidance titled, "Filing FinCEN's New Currency Transaction Report and Suspicious Activity Report" (FIN-2012-G002). The guidance notes that FinCEN is making available additional and more specific data elements (that is, characterizations of suspicious activity and types of financial services) as a more efficient way to bring information about suspicious activity to the attention of FinCEN and law enforcement. The guidance clarified the addition of new and expanded data elements does not create an expectation that financial institutions will revise internal programs, or develop new programs, to capture information that reflects the expanded data elements. Data elements designated as "critical fields (questions for which an answer must be provided) in the BSA SAR are

identified by the asterisk preceding the data element number.

The OCC is also announcing that the proposed collection of information has been submitted to OMB for review and clearance under the Paperwork Reduction Act of 1995.

DATES: Comments must be submitted by May 28, 2013.

ADDRESSES: Because paper mail in the Washington, DC area and at the OCC is subject to delay, commenters are encouraged to submit comments by email if possible. In addition, comments may be sent by fax to (571) 465-4326 or by electronic mail to regs.comments@occ.treas.gov. You may personally inspect and photocopy comments at the OCC, 400 7th Street SW., Washington, DC 20219. For security reasons, the OCC requires that visitors make an appointment to inspect comments.
