Needs and Uses: The Status of Forces Active Duty Survey (SOFSA) is an annual DoD-wide large-scale survey of active duty members that is used in evaluating existing policies and programs, establishing baseline measures before implementing new policies and programs, and monitoring the progress of existing policies/programs. The survey assesses topics such as financial well-being, retention

intention, stress, tempo, readiness, food security and suicide awareness. Data are aggregated by appropriate demographics, including Service, paygrade, gender, race/ethnicity, and other indicators. In order to be able to meet reporting requirements for DoD leadership, the Military Services, and Congress, the survey needs to be completed in 2023. The legal requirements for the SOFSA can be found in the FY2016 NDAA, Title VI, Subtitle F, Subpart 661. This legal requirement mandates that the SOFSA solicit information on financial literacy and preparedness. Results will be used by the Service Secretaries to evaluate and update financial literacy training and will be submitted in a report to the Committees on Armed Services of the Senate and the House of Representatives.
