

were appointed by Secretary Norton on May 4, 2004.

At their second business meeting, the PAWG established seven resource-or activity-specific Task Groups, including one for reclamation. Public participation on the Task Groups was solicited through the media, letters, and word-of-mouth.

The agenda for these meetings will include information gathering and discussion related to developing a reclamation monitoring plan to assess the impacts of development in the Pinedale Anticline gas field, and identifying who will do and who will pay for the monitoring. Task Group recommendations are due to the PAWG in February, 2005. At a minimum, public comments will be heard just prior to adjournment of the meeting.

Dated: December 2, 2004.
