Pursuant to the administrative settlement, the Settling Parties are to be provided a credit of fifty percent (50%) of the costs incurred by them for work performed under the Order (excluding oversight costs claimed by EPA and any of Settling Parties' attorneys fees), up to a maximum amount of \$350,000.00, provided that EPA has accepted the applicable Order deliverables for which credit is sought. The credit applies only to any future claim made by EPA for unreimbursed costs incurred or to be incurred by EPA concerning the Sites.
