

**I. Abstract**

NASA collects information to ensure proper accounting of Federal funds and property provided under grants and cooperative agreements with state and local governments.

**II. Method of Collection**

Submission of almost all information required under grants or cooperative agreements with state and local governments, including property, financial, and performance reports, is electronic.

**III. Data**

*Title:* Grants and Cooperative Agreements with State and Local Governments.

*OMB Number:* 2700-0093.

*Type of review:* Revision of currently approved collection.

*Affected Public:* State, Local or Tribal Governments.

*Estimated Number of Respondents:* 30.

*Estimated Time per Response:* Proposals, 40 hours; Requests for Payments, 12 hours; Financial Reports, 6 hours; Property Reports, 4 hours; Patent Reports, 1 hour; Performance Reports, 4 hours and; Changes, 1 hour. Total is 68 hours.

*Estimated Total Annual Public Burden Hours:* 2,040 hours.

*Estimated Total Annual Public Cost:* \$69,360.

*Estimated Total Annual Government Burden Hours:* 1800.

*Estimated Total Annual Government Cost:* \$ 61,200.

**IV. Request for Comments**

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection.

They will also become a matter of public record.
