

Register. In the event of a sale, the unreserved mineral interests will be conveyed simultaneously with the sale of the land. These unreserved mineral interests have been determined to have no known mineral value pursuant to 43 CFR 2720.2(a). Acceptance of the sale offer will constitute an application for conveyance of those unreserved mineral interests. The purchaser will be required to pay a \$50.00 non-refundable filing fee for conveyance of the available mineral interests. The purchaser will have 30 days from date of receiving the sale offer to accept the offer and to submit a deposit of 20 percent of the purchase price, the \$50.00 filing fee for conveyance of mineral interests, and for payment of publication costs. The purchaser must remit the remainder of the purchase price within 180 days from the date the sale offer is received. Payments must be by certified check, postal money order, bank draft, or cashier's check payable to the U.S. Department of the Interior—BLM. Failure to meet conditions established for this sale will void the sale and any monies received will be forfeited. Failure or refusal by Patsie and Michael DeHuff to submit the required fair market appraisal amount within 180 days of the sale of the parcel will constitute a waiver of this preference consideration and this parcel may be offered for sale on a competitive or modified competitive basis.
