Office of Environmental Management Site-Specific Advisory Board Renewal

Pursuant to Section 14(a)(2)(A) of the Federal Advisory Committee Act (Pub. L. No. 92-463), in accordance with Title 41 of the Code of Federal Regulations, section 102-3.65(a), and following consultation with the Committee Management Secretariat, General Services Administration, notice is hereby given that the Environmental Management Site-Specific Advisory Board has been renewed for a two-year period beginning May 16, 2004. The Environmental Management Site-

Specific Advisory Board will provide advice and recommendations to the Assistant Secretary for Environmental Management.

The Board provides the Assistant Secretary for Environmental Management (EM) with information, advice, and recommendations concerning issues affecting the EM program at various sites. These site-specific issues include clean-up standards and environmental restoration; waste management and disposition; stabilization and disposition of non-stockpile nuclear materials; excess facilities; future land use; long-term stewardship; risk assessment and management; and science and technology activities.

Furthermore, the renewal of the Environmental Management Site-Specific Advisory Board has been determined to be essential to the conduct of Department of Energy business and to be in the public interest in connection with the performance of duties imposed on the Department of Energy by law and agreement. The Board will operate in accordance with the provisions of the Federal Advisory Committee Act, and rules and regulations issued in implementation of those Acts.

Further information regarding this Advisory Board may be obtained from Ms. Sandra L. Waisley at (202) 586-3087.

Issued in Washington, DC on May 17, 2004.

James N. Solit,

Advisory Committee Management Officer.

[Project No. 12056-001]

Trinity River Authority of Texas; Notice of Surrender of Preliminary Permit

May 20, 2004.

Take notice that Trinity River Authority of Texas, permittee for the proposed Lake Livingston Dam Project, has requested that its preliminary permit be terminated. The permit was issued on September 27, 2001, and would have expired on August 31, 2004.¹ The project would have been located on the Trinity River in San

Jacinto, Polk, Walker, and Trinity Counties, Texas.

The permittee filed the request on April 21, 2004, and the preliminary permit for Project No. 12056 shall remain in effect through the 30th day after issuance of this notice unless that day is a Saturday, Sunday, part-day holiday that affects the Commission, or legal holiday as described in section 18 CFR 385.2007, in which case the effective date is the first business day following that day. New applications involving this project site, to the extent provided for under 18 CFR part 4, may be filed on the next business day.

Linda Mitry,

Acting Secretary.
