4. The questions on the number of business days, estimated coverage of the survey and concentration levels, and trading activity trends would be deleted. The FRBNY will coordinate responses to these questions with the Secretary of the New York Foreign Exchange Committee and its Operations Subcommittee. This change will allow for an improvement in data quality as it eliminates issues with dealer weighting and poor response rates.

5. The questions on "retail-driven" transactions would be deleted. The FRBNY will coordinate responses to these questions with the Secretary of the New York Foreign Exchange Committee and its Operations Subcommittee. This change will allow for an improvement in data quality as it eliminates issues with dealer weighting and poor response rates.
