Background and Purpose

The Coast Guard Maritime Transportation Act (CGMTA) of 2006 (section 421) authorized United States-documented purse seine vessels fishing for highly migratory species (under a license issued pursuant to the 1987 South Pacific Tuna Treaty [SPTT]) to use foreign citizens, except for the master, to meet manning requirements if no United States citizen personnel are readily available. The manning exemption was only applicable to vessels operating in and out of American Samoa. That authorization was for a 48-month period and ended on July 11, 2010.

Section 904 of the 2010 Coast Guard Authorization Act (CGAA), signed into law (Pub. L. 111-281) on 15 October
