International Trade Administration

Certain Tissue Paper Products from the People's Republic of China: Notice of Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (the Department) is rescinding in part the administrative review of the antidumping duty order on certain tissue paper products from the People's Republic of China (PRC) for the period March 1, 2008, to February 28, 2009, with respect to Sunlake Décor Co., Ltd. (Sunlake). This partial rescission is based on the withdrawal of the request for review of Sunlake by the only interested party that requested the review the petitioner.¹

EFFECTIVE DATE: October 21, 2009.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Gemal Brangman, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-1766 or (202) 482-3773, respectively.

SUPPLEMENTARY INFORMATION:

¹ The petitioner is Seaman Paper Company of Massachusetts, Inc.

Background

On March 2, 2009, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on certain tissue paper products from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 74 FR 9077 (March 2, 2009). In response, the petitioner timely requested an administrative review of the antidumping duty order on certain tissue paper products from the PRC for entries of the subject merchandise during the period March 1, 2008, through February 28, 2009, for Sunlake (i.e., an exporter of the subject merchandise). Therefore, on April 21, 2009, the Department initiated a review of Sunlake. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 19042 (April 27, 2009).

In a letter dated June 30, 2009, the petitioner withdrew its request for review of Sunlake and requested that the Department rescind the review with respect to it. No other party has requested a review of Sunlake. This administrative review will continue with respect to Max Fortune Industrial Limited and Max Fortune (FETDE) Paper Products Co., Ltd. (collectively referred to as "Max Fortune") and Seaman Paper Asia Company Ltd.

Rescission, in Part, of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party who requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. Accordingly, the petitioner timely withdrew its request for review of Sunlake within the 90-day period and no other party requested a review of Sunlake's entries. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to Sunlake.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the company for which this review has been rescinded, antidumping duties shall be assessed, if applicable, at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for

consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: October 14, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

CONSUMER PRODUCT SAFETY COMMISSION

Virginia Graeme Baker Pool and Spa Safety Act; Draft Technical Guidance on Unblockable Drains; Notice of Hearing

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of public hearing.

SUMMARY: The Consumer Product Safety Commission (Commission) will conduct a public hearing to receive views from all interested parties about the draft guidance for industry entitled "July 2009 Staff Draft Technical Guidance on

Unblockable Drains." The guidance specifies requirements for a drain cover, such that, when attached to a drain, it constitutes an unblockable drain. The Commission invites public participation at the hearing. Oral presentations concerning the Unblockable Drain guidance should be limited to approximately ten minutes and will become part of the public record.

DATES: The public hearing will begin at 9 a.m. on November 4, 2009. Requests to make oral presentations and the written text of any oral presentations must be received by the Office of the Secretary not later than 5 p.m. Eastern Standard Time (EST) on October 28, 2009.

ADDRESSES: The hearing will be in the Hearing Room, 4th Floor of the Bethesda Towers Building, 4330 East-West Highway, Bethesda, Maryland 20814. Requests to make oral presentations and texts of oral presentations should be captioned "Unblockable Drain Guidance" and sent by electronic mail ("e-mail") to cpsc-os@cpsc.gov, or mailed or delivered to the Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, Maryland 20814, no later than 5 p.m. EST on October 28, 2009.

FOR FURTHER INFORMATION CONTACT: For information about the public hearing or to request an opportunity to make an oral presentation, please send an e-mail, call, or write Todd A. Stevenson, Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, Maryland 20814; e-mail cpsc-os@cpsc.gov; telephone (301) 504-7923; facsimile (301) 504-0127. An electronic copy of the "July 2009 CPSC Staff Draft Technical Guidance on Unblockable Drains" can be found at <http://www.poolsafety.gov/unblockable.pdf>.

SUPPLEMENTARY INFORMATION: The Virginia Graeme Baker Pool and Spa Safety Act (Pub. L. 110-140, 121 Stat. 1794 ("Act")) was signed into law on December 19, 2007. The Act is designed to prevent drain entrapments and eviscerations in pools and spas. Public Law 110-140. The law became effective on December 19, 2008. The Act defines an "unblockable drain" as "a drain of any size and shape that a human body cannot sufficiently block to create a suction entrapment hazard." Section 1403(7) of the Act (15 U.S.C. 8002(7)).

In August 2009, CPSC staff announced the availability of Draft Guidance on what constitutes an "unblockable drain" under the Act and asked for written comments concerning the draft guidance from interested

persons ("July 2009 CPSC Staff Draft Technical Guidance on Unblockable Drains," <http://www.poolsafety.gov/unblockable.pdf>). The Commission received comments in support of and in opposition to the staff guidance, in addition to some technical comments concerning the guidance itself. For example, some commenters pointed out that, in addition to the size requirements of the unblockable drain cover, the guidance should stress the importance of proper flow rates and the drain cover fastener integrity. CPSC agrees with these technical comments and intends to amend the guidance to include the following sentence: "In reaching this definition for an unblockable drain, the characterization of a suction fitting is taken from the standard to include the sump and cover as a unit, along with the following: (1) The blocking element dimensions and the diagonal measure to define a minimum size requirement (in excess of 18" x 23" or a diagonal measurement greater than 29"); (2) the need for the remaining open flow area of the cover, once shadowed, to provide sufficient flow to prevent entrapment; and (3) the general requirements of the standard for fasteners and fastening integrity (*i.e.*, the cover must stay in place)." Parties who wish to attend the public meeting should be aware of this contemplated change to the guidance when preparing their presentations. The Commission, through this notice, is announcing a public hearing to hear further from interested parties on the staff draft guidance, and the Commission reserves the ability to ask questions of presenters at the public hearing.

Persons who desire to make oral presentations at the hearing on November 4, 2009, should send an e-mail, call, or write Todd A. Stevenson, Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, Maryland 20814, e-mail cpsc-os@cpsc.gov, telephone (301) 504-7923, facsimile (301) 504-0127 not later than 5 p.m. EST on October 28, 2009. Presentations should be limited to approximately ten minutes.

Persons desiring to make presentations must submit the text of their presentations to the Office of the Secretary not later than 5 p.m. EST on October 28, 2009. The Commission reserves the right to impose further time limitations on all presentations and further restrictions to avoid duplication of presentations. The hearing will begin at 9 a.m. on November 4, 2009, and will conclude the same day.
