**OMB Control Number:** 1652-0013.

All questions concern aspects of the passenger's security screening experience.

TSA is revising the collection by removing the optional question which uses the term “gender,” in compliance with section 3(c) of Executive Order 14168 of January 20, 2025 (Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government). This section of the Executive Order requires Federal agencies to use the term “sex” and not “gender” in all applicable agency policies and documents.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Santa Barbara Museum of Natural History

intends to repatriate certain cultural items that meet the definition of unassociated funerary objects and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the cultural items in this notice may occur on or after September 15, 2025.

**ADDRESSES:** Send additional, written requests for repatriation of the cultural items in this notice to Luke Swetland, President and CEO, Santa Barbara Museum of Natural History, 2559 Puesta del Sol, Santa Barbara, CA 93105, email [lswetland@sbnature2.org](mailto:lswetland@sbnature2.org).

The determinations in this notice are the sole responsibility of the Santa Barbara Museum of Natural History, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

### Abstract of Information Available

A total of 12 cultural items have been requested for repatriation. The 12 unassociated funerary objects consist of 10 small projectile points, one stone disc fragment, and one large stone grinding slab. These items were surface collected in the 1920s from CA–LAN–192 (Lovejoy Springs site, CA) by Bob Wubben. They were donated to the Museum in 1992 by Robert W. and Doris M. Wubben of Torrance, CA.

### Determinations

The Santa Barbara Museum of Natural History has determined that:

- The 12 unassociated funerary objects described in this notice were reasonably believed to have been placed intentionally with or near human remains, and are connected, either at the time of death or later as part of the death rite or ceremony of a Native American culture according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization. The unassociated funerary objects have been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.

- There is a reasonable connection between the cultural items described in

this notice and the Morongo Band of Mission Indians, California and the Yuhaaviatam of San Manuel Nation (previously listed as San Manuel Band of Mission Indians, California).

### Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after September 15, 2025. If competing requests for repatriation are received, the Santa Barbara Museum of Natural History must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The Santa Barbara Museum of Natural History is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

**Authority:** Native American Graves Protection and Repatriation Act, 25 U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.
