DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding; whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by July 30, 2021 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Food and Nutrition Service

Title: SNAP-Ed Toolkit Submission Form (FNS–886) and Scoring Tool (FNS–885).

OMB Control Number: 0584–0639.

Summary of Collection: The Food and Nutrition Act of 2008, as amended (The Act) § 28(c)(3)(A) states that State agencies "may use funds provided under this section for any evidence-based allowable use of funds" including "(i) individual and group-based nutrition education, health promotion, and intervention strategies". 7 CFR 272.2(2)(d) also states "SNAP-Ed activities must include evidence-based activities using one or more of these approaches: individual or group-based nutrition education, health promotion, and intervention strategies; comprehensive, multi-level interventions at multiple complementary organizational and institutional levels; community and public health approaches to improve nutrition". The Intervention Submission Form (FNS 886) and Scoring Tool (FNS 885) allows for interventions to be assessed to determine if they are both evidence-based and use one of the approaches described.

Need and Use of the Information: The Intervention Submission Form will be used by intervention developers (submitters) to provide information about the intervention they are submitting for inclusion in the Toolkit. Information requested includes intervention materials, how they have been and will be used, and the evidence base which illustrates their effectiveness.

Description of Respondents: (130) Business-for-profit; (16) Not-for-profit institutions; (44) State, Local or Tribal Government.

Number of Respondents: 190.

Frequency of Responses: Reporting: Once, On occasion.

Total Burden Hours: 550.
