Foreign-Trade Zones Board

[B-24-2014]

Foreign-Trade Zone 60—Nogales, Arizona; Application for Reorganization and Expansion under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Nogales-Santa Cruz Economic Development Foundation, Inc., grantee of FTZ 60, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on March 12, 2014.

FTZ 60 was approved by the FTZ Board on October 15, 1980 (Board Order 164, 45 FR 70037, October 22, 1980) and the grant of authority for the zone was transferred from Border Industrial Development, Inc., to the Nogales-Santa Cruz Economic Development Foundation, Inc., on September 24, 1993 (Board Order 659, 58 FR 51614, October 4, 1993).

The current zone includes the following sites: *Site 1* (21 acres)—Nogales West Customs Compound, adjacent to the border crossing at 200 North Mariposa Road, Nogales; *Site 2* (7 acres)—North Industrial Park, 1480 North Industrial Park Drive, Nogales; and, temporary *Site 3* (5 acres)—BD Medical, 745 North Target Range Road, Nogales.

The grantee's proposed service area under the ASF would be all of Santa Cruz County, Arizona, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Nogales-Mariposa U.S.
