

increases vary by country group and weight increment. Qualified customers paying through information-based indicia postage meters will be eligible for the lower prices currently available to customers paying online or through an authorized PC postage vender.

Express Mail International. Express Mail International service increases, on average, by 8.5 percent. Price increases vary by country group and weight increment. Qualified customers paying through information-based indicia postage meters will be eligible for the lower prices currently available to customers paying online or through an authorized PC postage vender. The country group structure is also expanded from 9 to 10 country groups.

Priority Mail International. Priority Mail International prices increase on average by 8.5 percent. Different increases apply depending on the weight and country group. Qualified customers paying through information-based indicia postage meters will be eligible for the lower prices currently available to customers paying online or through an authorized PC postage vender. A small flat-rate box is also added as a new Priority Mail International option. The country group structure is also expanded from 9 to 10 country groups.

M-bags. International Direct Sacks—M-bags (Airmail M-bags) increase by approximately 8 percent.

Details of these changes may be found in Attachment B to the Filing.

The establishment of rates of general applicability for competitive products and the associated mail classification changes effects a change in the Mail Classification Schedule. As such, pursuant to subpart E of part 3020 of its rules, 39 CFR 3020.90 *et seq.*, the Commission provides notice of the Postal Service's Filing. Interested persons may express views and offer comments on whether the planned changes are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642 and 39 CFR part 3015 and 39 CFR 3020 subpart B. Comments are due no later than December 1, 2008.

Pursuant to 39 U.S.C. 505, Emmett Rand Costich is appointed to serve as officer of the Commission (Public Representative) to represent the interests of the general public in the above-captioned docket.

It is Ordered:

1. The Commission establishes Docket No. CP2009–8 to provide interested persons an opportunity to express views and offer comments on whether the planned changes are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642

and 39 CFR part 3015 and 39 CFR part 3020 subpart B.

2. Comments on the Filing are due no later than December 1, 2008.

3. The Commission appoints Emmett Rand Costich as Public Representative to represent the interests of the general public in this proceeding.

4. The Secretary shall arrange for publication of this Order in the **Federal Register**.

By the Commission.

Steven W. Williams,
Secretary.

BILLING CODE 7710–FW–P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copy Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Extension:

Form N–54C, SEC File No. 270–184, OMB Control No. 3235–0236.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (the “Act”), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N–54C (17 CFR 274.54) under the Investment Company Act of 1940 (15 U.S.C. 80a) is a notification to the Commission that a company withdraws its election to be regulated as a business development company. Such a company only has to file a Form N–54C once.

It is estimated that approximately 12 respondents per year file with the Commission a Form N–54C. Form N–54C requires approximately 1 burden hour per response resulting from creating and filing the information required by the Form. The total burden hours for Form N–54C would be 12 hours per year in the aggregate. The estimated annual burden of 12 hours represents a decrease of 6 hours over the prior estimate of 18 hours. The decrease in burden hours is attributable to a decrease in the number of respondents from 18 to 12.

The estimate of average burden hours for Form N–54C is made solely for the purposes of the Act and is not derived

from a comprehensive or even representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Lewis W. Walker, Acting Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: November 13, 2008.

Florence E. Harmon,
Acting Secretary.
