

*Respondents/Affected Public:*  
Businesses and Organizations.

*Total Estimated Number of Annual Responses:* 100.

*Total Estimated Number of Annual Burden Hours:* 3,960.

**Abstract:** CNCS, operating as AmeriCorps, seeks renewal of the current information collection pursuant to the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4950 *et seq.*) and the National and Community Service Act of 1990 (42 U.S.C. 12501 *et seq.*) The information collected will be used to help CNCS more effectively utilize its deployable resources to meet the needs of disaster affected communities. A better understanding of the participating programs will allow CNCS to match the capabilities of the programs to the needs of the communities and will allow better asset mapping and resource typing. Additionally, the information collected will allow CNCS to conduct better outreach to interested programs by providing them with more information about CNCS disaster procedures, reimbursement requirements, and support services offered.

The revisions are intended to streamline the application process and ensure interested programs meet the appropriate programmatic and fiscal requirements to successfully execute disaster response activities. Additionally, the supporting forms will help CNCS identify and deploy programs more effectively and efficiently, matching the capabilities of the programs to the needs of the communities requesting assistance. The additional tools and forms under the DRCA will allow for effective information collection during a disaster event as well as assess the capacity of all DRCA programs throughout the year. Information will be collected electronically through completion of the forms and emailed to CNCS. The information collection will otherwise be used in the same manner as the existing application.

CNCS also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on March 30, 2021.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to

enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on [regulations.gov](https://www.regulations.gov).

Dated: October 28, 2020.

## DEPARTMENT OF DEFENSE

### Department of the Army, Corps of Engineers

#### Notice of Extension of Public Comment Period for the Interim Report for the Buffalo Bayou and Tributaries, Texas Resiliency Study

**AGENCY:** Department of the Army, U.S. Army Corps of Engineers, DoD.

**ACTION:** Notice of extension.

**SUMMARY:** A notice of availability was published in the **Federal Register** by the U.S. Army Corps of Engineers (USACE) on October 2, 2020 for the Buffalo Bayou and Tributaries, Texas Resiliency Study (BBTRS) notifying the public an Interim Report was available for review and comment. The notice indicated the review period was to conclude on November 2, 2020. Four virtual public meetings were held in October 2020 in an effort to provide the public with an overview of Interim Report and answer questions about the study and alternatives considered. In response to several requests for extension, this notice announces an extension of the

public comment period to November 20, 2020. No additional public meetings have been scheduled during the extension period.

**DATES:** This notice announces an 18-day extension of the public comment period. Written comments on the Interim Report must be received by email or postmarked by November 20, 2020.

**ADDRESSES:** The Interim Report and additional pertinent information about the study can be found at: <https://www.swg.usace.army.mil/Missions/Projects/BBTRS/>. Written comments may be mailed to USACE, Galveston District, ATTN: BBTRS, P.O. Box 1229, Galveston, TX, 77553-1229 or submitted electronically by email to [BBTRS@usace.army.mil](mailto:BBTRS@usace.army.mil).

**FOR FURTHER INFORMATION CONTACT:** Ms. Shelby Scego, USACE, Regional Planning and Environmental Center, at 918-669-7423 or [BBTRS@usace.army.mil](mailto:BBTRS@usace.army.mil).

#### SUPPLEMENTARY INFORMATION:

1. *Background.* USACE, in partnership with the Harris County Flood Control District (HCFCD), as the non-Federal sponsor, began a feasibility study in 2018 to identify, evaluate, and recommend actions to reduce flood risks along Buffalo Bayou and its tributaries, both upstream and downstream of Addicks and Barker dams. The study will also complete a Dam Safety Modification Evaluation on Addicks and Barker dams. The BBTRS is authorized under Section 216 of the Flood Control Act of 1970 (Pub. L. 91-611) and existing project authority. Section 216 authorizes USACE to review a completed navigation, flood risk reduction, water supply, or related project due to significantly changed physical or economic conditions, and to report to Congress with recommendations regarding modification of the project's structures or operation, and for improving the quality of the environment in the overall public interest.

2. *Interim Report.* On October 2, 2020, the USACE released an Interim Report for the study. The Interim Report presents alternatives that could reduce the risk of flooding in the Buffalo Bayou, Addicks Reservoir, Barker Reservoir, and upper Cypress Creek watersheds in Harris, Fort Bend, and Waller counties, Texas. The report also evaluates alternatives for dam safety modifications to the Addicks and Barker dams. The report does not identify a preferred alternative nor does it make any recommendations or decisions.

The Interim Report is an added step to the feasibility study process and is intended to explain updated

information, present the focused array of alternatives, and seek public feedback that will inform the next level of evaluation to identify a Tentatively Selected Plan (TSP). The TSP may be a single alternative or comprised of several alternatives from the focused array under consideration.

*Note: This is not a Notice of Extension associated with the release of a Draft Environmental Impact Statement (EIS) in accordance with the National Environmental Policy Act. This is an interim step intended to gather public feedback before a Draft EIS is released.*

3. *Solicitation of Comments:* The USACE is soliciting comments on the Interim Report from the public, Federal, State, and local agencies, elected officials, Tribal Nations, and other interested parties. The public comment period initially began on October 2, 2020, but has been extended to November 20, 2020. Public comments may be submitted by email or through postal mail at the addresses provided above.

4. *Public Participation and Meetings:* Four virtual public meetings were held in October 2020. Over 450 people participated in the virtual meetings, which included an overview of the alternatives being considered and a question and answer session. No additional public meetings are scheduled during the extension period.

5. *Identification of Tentatively Selected Plan and Availability of Draft EIS.* Depending on input received on the Interim Report, USACE estimates issuing a Draft Feasibility Report and Draft Environmental Impact Statement for public review and comment in early 2021. At that time, USACE will provide a 45-day public review period, in accordance with the National Environmental Policy Act (NEPA). USACE will notify all interested agencies, organizations, and individuals of the availability of the draft document at that time.

## DEPARTMENT OF DEFENSE

### Department of the Navy

#### Meeting of the U.S. Naval Academy Board of Visitors

**AGENCY:** Department of the Navy, U.S. Department of Defense (DoD).

**ACTION:** Notice of partially closed meeting.

**SUMMARY:** The DoD is publishing this notice to announce that the following Federal Advisory Committee meeting of the U.S. Naval Academy Board of Visitors, hereafter “Board,” will take place.

**DATES:** Open to the public, December 7, 2020, from 9 a.m. to 11 a.m. Closed to the public, December 7, 2020, from 11 a.m. to noon (12 p.m.).

**ADDRESSES:** This meeting will be held at the United States Naval Academy in Annapolis, MD. The meeting will be handicap accessible. Escort is required.

**FOR FURTHER INFORMATION CONTACT:** Major Raphael Thalakkottur, USMC, Executive Secretary to the Board of Visitors, Office of the Superintendent, U.S. Naval Academy, Annapolis, MD 21402-5000, 410-293-1503, [thalakot@usna.edu](mailto:thalakot@usna.edu), or visit <https://www.usna.edu/PAO/Superintendent/bov.php>.

**SUPPLEMENTARY INFORMATION:** This meeting is being held under the provisions of the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended), the General Services Administration’s (GSA) Federal Advisory Committee Management Final Rule (41 CFR part 102-3).

*Purpose of Meeting:* The U.S. Naval Academy Board of Visitors will meet to make such inquiry, as the Board deems necessary, into the state of morale and discipline, the curriculum, instruction, physical equipment, fiscal affairs, and academic methods of the Naval Academy.

*Agenda:* Proposed meeting agenda for December 7, 2020.

0830-0900 Assemble  
0900 Call to Order  
0900-1055 Business Session  
1055-1100 Break  
1100-1200 Executive Session (Closed to Public)

Current details on the board of visitors may be found at <https://www.usna.edu/PAO/Superintendent/bov.php>.

The executive session of the meeting from 11:00 a.m. to 12:00 p.m. on December 7, 2020, will consist of discussions of new and pending administrative or minor disciplinary infractions and non-judicial punishments involving midshipmen attending the Naval Academy, to include but not limited to, individual honor or conduct violations within the Brigade, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. For this

reason, the executive session of this meeting will be closed to the public, as the discussion of such information cannot be adequately segregated from other topics, which precludes opening the executive session of this meeting to the public. Accordingly, the Secretary of the Navy, in consultation with the Department of the Navy General Counsel, has determined in writing that the meeting shall be partially closed to the public because the discussions during the executive session from 11 a.m. to noon (12 p.m.) will be concerned with matters protected under sections 552b(c) (5), (6), and (7) of title 5, United States Code.

**Authority:** 5 U.S.C. 552b.

*Meeting Accessibility:* Pursuant to FACA and 41 CFR 102-3.140, this meeting is open to the public. Any public attendance at the meeting will be governed by prevailing health directives at the United States Naval Academy. Please contact the Executive Secretary five business days prior the meeting to coordinate required medical screenings and access to the meeting.

*Written Statements:* Per Section 10(a)(3) of the FACA and 41 CFR 102-3.105(j) and 102-3.140, interested persons may submit a written statement for consideration at any time, but should be received by the Designated Federal Officer at least 15 business days prior to the meeting date so that the comments may be made available to the Board for their consideration prior to the meeting. Written statements should be submitted via mail to 121 Blake Rd., Annapolis, MD 21402. Please note that since the Board operates under the provisions of the FACA, as amended, all submitted comments and public presentations will be treated as public documents and will be made available for public inspection, including, but not limited to, being posted on the board website.

Dated: November 5, 2020.
