ACTION: Notice of loan repayment.

SUMMARY: NMFS issues this notice to inform interested parties that the Bering Sea and Aleutian Islands (BSAI) American Fisheries Act (AFA) Pollock loan in the fishing capacity reduction program for the inshore component of the BSAI Pollock Fishery has been repaid. Therefore, buyback fee collections on AFA Pollock will cease for all landings after February 29, 2020.

SUPPLEMENTARY INFORMATION: On December 21, 1999, NMFS published a **Federal Register** document (64 FR 71396) proposing regulations to implement an industry fee system for repaying the reduction loan. The final rule was effective and fees were first due on February 10, 2000 (65 FR 5278, February 3, 2000). Interested persons should review these for further program details.

The BSAI AFA Pollock Capacity Reduction (Buyback) loan in the amount of \$75,000,000 will be repaid in full upon receipt of buyback fees on landings through February 29, 2020. Based on buyback fees received to date, landings after February 29, 2020, will not be subject to the buyback fee. in fees owed and fees paid must be resolved immediately. After the sub-loan is closed, no further adjustments to fees paid and fees received can be made.
