

fatality shall update the Covered Horse's status as deceased, provide the date of the fatality and an explanation regarding the cause of the fatal condition; and

(7) Any other information reasonably required by the Authority to fulfill its statutory duties under the Act.

(i) Accuracy of and Changes to Registration Information.

(1) Complete and Correct Information. Information provided by a Covered Person in the course of registration pursuant to the Rule 9000 Series shall be complete and correct.

(2) Material Changes in Registration Information. A Covered Person registered with the Authority shall timely update registration information to accurately report any material changes in any information required for registration by the Authority, including the information required under Rule 9000(h).

(3) Penalties. As set forth in Rule 8100(g), failure to register with the Authority, failure of a Responsible Person to register a Covered Horse, knowingly making a false statement, omitting information in an application for registration with the Authority, or failure to advise the Authority of material changes in information provided to the Authority as required under any provision in Authority rules shall constitute a violation and shall be subject to the sanctions set forth in Rule 8200 and the disciplinary procedures set forth in Rule 8300.

By direction of the Commission.

April J. Tabor,
Secretary.

GENERAL SERVICES ADMINISTRATION

[Notice M1Y-2024-01; Docket No. 2024-0002; Sequence No.8]

Notice of the Federal Chief Information Officers Council Innovation Committee's Disruption and Discovery: AI, Data, and Quantum Symposium

AGENCY: General Services Administration, Office of Government-wide Policy, Office of Executive Councils, Federal Chief Information Officers (CIO) Council, Innovation Committee.

ACTION: Meeting notice.

SUMMARY: Join leaders across the federal government for an immersive one-day symposium exploring the technologies transforming our future. Through

keynote addresses and fireside chats, gain insider perspectives from those using AI to combat and reduce fraud to those safeguarding our digital lives in the emerging quantum era and designing the future of data security across government. Learn about the technical breakthroughs employees at the National Labs are making to improve the lives of the American public. This symposium will spotlight the intersections of technology, innovation, and open government—shaping the digital tomorrow and harnessing the power of technology to drive mission impact. Join us at the frontier of what's next.

DATES: Tuesday, March 5, 2024 from 9:00 a.m. to 3:30 p.m. Eastern Standard Time.

ADDRESSES: GSA Headquarters, 1800 F St. NW, Washington, DC Jess Mellon Auditorium.

This is an in-person event. All attendees, including industry partners, must register for the event here: <https://gsa.zoomgov.com/meeting/register/vJltDuGsrjMjH5WV7BYKLsSQqKxMPZqEU5w>.

Members of the press are invited to attend but are required to register with the GSA press office (via email press@gsa.gov) by Tuesday, February 27, 2024.

FOR FURTHER INFORMATION CONTACT: Ms. Ariel Crawford, Office of Government-wide Policy, at 301-653-7198 or ariel.crawford@gsa.gov.

SUPPLEMENTARY INFORMATION:

Background

Format

The Disruption and Discovery: AI, Data, and Quantum on the Symposium convenes leaders from the Federal Government to discuss their experiences with emerging technologies. The summit will include keynotes and Fireside Chats with featured speakers.

If you have questions for the panelists, you can email them to CIO Council Support at ciocouncil.support@gsa.gov by Tuesday, February 27, 2024.

Special Accommodations

American Sign Language (ASL) interpreters will be in attendance. If additional accommodations are needed, please indicate on the Zoom registration form.

Live Speakers (Subject to change without notice.)

Hosted by

- Federal CIO Council Innovation Committee

Agenda Topic Areas

- AI vs. Fraudsters: How New Technologies Are Tilting the Battle
- The Promise and Potential of Quantum Computing
- Data Management Is Critical to Making Zero Trust a Reality
- Pushing the Frontiers of Innovation: Research and Discovery at the National Labs

Ariel Crawford,

Senior Advisor, Federal Chief Information Officers (CIO) Council, Office of Government-wide Policy, General Services Administration.

BILLING CODE 6820-69-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Healthcare Research and Quality

National Advisory Council for Healthcare Research and Quality: Request for Nominations for Members

AGENCY: Agency for Healthcare Research and Quality (AHRQ), HHS.

ACTION: Notice of request for nominations for members.

SUMMARY: The National Advisory Council for Healthcare Research and Quality (the Council) advises the Secretary of HHS (Secretary) and the Director of the Agency for Healthcare Research and Quality (AHRQ) with respect to activities proposed or undertaken to carry out AHRQ's statutory mission. AHRQ produces evidence to make health care safer, higher quality, more accessible, equitable, and affordable, and works within the U.S. Department of Health and Human Services and with other partners to make sure that the evidence is understood and used. Seven new members will be appointed to replace seven current members whose terms will expire in November 2024.

DATES: Nominations should be received on or before 60 days after date of publication.

ADDRESSES: Nominations should be sent by email to Jaime Zimmerman at NationalAdvisoryCouncil@ahrq.hhs.gov.

FOR FURTHER INFORMATION CONTACT: Jaime Zimmerman, AHRQ, at (301) 427-1456.

SUPPLEMENTARY INFORMATION: 42 U.S.C. 299c provides that the Secretary shall appoint to the Council twenty-one appropriately qualified individuals. At least seventeen members shall be representatives of the public and at least
