Overview of This Information Collection

1. *Type of Information Collection:* Extension and Revision of a previously approved collection.
2. *Title of the Form/Collection:* Unfair Immigration-Related Employment Practices Complaint Form.
3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* The form number is EOIR–58, and the sponsoring DOJ component is EOIR.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Affected Public: Individuals who wish to file a complaint alleging unfair immigration-related employment practices under INA § 274B.

Abstract: Section 274B of the INA prohibits employment discrimination on the basis of citizenship status or national origin; retaliation or intimidation by an employer against an individual seeking to exercise his or her right under this section; and “document abuse” or over-documentation by the employer, which occurs when the employer asks an applicant or employee for more or different documents than required for employment eligibility verification under INA § 274A, with the

intent of discriminating against the employee in violation of section 274B. Individuals who believe that they have suffered discrimination in violation of section 274B may file a charge with the DOJ Immigrant and Employee Rights Section (IER). The IER then has 120 days to determine whether to file a complaint with OCAHO on behalf of the individual charging party. If the IER chooses not to file a complaint, the individual may then file his or her own complaint directly with OCAHO. This information collection may be used by an individual to file his or her own complaint with OCAHO. The Form EOIR–58 elicits, in a uniform manner, all of the required information for OCAHO to assign a section 274B complaint to an Administrative Law Judge for adjudication. Non-substantive revisions are being made throughout the form and instructions to improve formatting, clarity, and grammar. EOIR has also made changes updating the IER mailing address, revising the Privacy Act notice to include a citation to OCAHO's System of Record Notice (SORN), and revising the amount of time estimated to complete the form. Additionally, to account for anticipated expansion of electronic filing capabilities in the future, EOIR is also revising the instructions to clarify differences in filing procedures for those forms filed by mail versus forms filed electronically.

5. *Obligation to Respond:* The information collected by this form is required to file a complaint under INA § 274B. However, using this form is voluntary and individuals may alternatively file a written submission alleging unfair immigration-related employment practices under INA § 274B, provided that the alternative submission format meets the requirements for OCAHO complaints as set forth in 28 CFR 68.7.

6. *Total Estimated Number of Respondents:* 38.

7. *Estimated Time per Respondent:* 60 minutes (1 hour).

8. *Frequency:* Once a year.

9. *Total Estimated Annual Time Burden:* 38 hours.

10. *Total Estimated Annual Other Costs Burden:* The total maximum estimated cost burden to the public associated with this collection is \$3,715.26. While respondents may submit the Form EOIR–58 to OCAHO via email, which would result in no filing fee, printing, or mailing costs to the respondent, most filed Forms EOIR–58 are submitted to OCAHO by United States mail. The average Form EOIR–58 submission consists of 150 pages (five copies of the application and supporting

evidence including the IER complaint and IER letter informing the individual that they may file Form EOIR-58 with OCAHO) at an estimated average printing cost of ten cents per page, for a total print cost of \$15.00 per response. The current Priority Mail postage cost to mail one complete Form EOIR-58 package is estimated at \$10.10. There are no filing fees for EOIR-58. There are no labor costs for unrepresented (pro se) individuals because the form may be completed solely by the individual. However, if an individual chooses to obtain representation to complete and file the Form EOIR-58, the cost to the individual will include the average hourly wage for attorneys based on the U.S. Bureau of Labor Statistics average estimate of \$72.67 per hour for every hour the attorney spends completing the form. Therefore, the maximum total estimated cost burden to the public is \$3,715.26 $((\$15.00 + \$10.10 + \$72.67) \times 38 \text{ responses})$. EOIR OCAHO continues to work towards implementing full electronic processing with the anticipated implementation of its electronic filing system, which would eliminate the copying and postage costs for filing this form. Until the OCAHO electronic filing system is fully implemented, the affected public may avoid these costs by submitting the Form EOIR-58 via email.
