

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial, and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures,” paragraph 5–6.5a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant the preparation of an environmental assessment.

[Docket No. DEA–542]

Designation of 3,4-MDP-2-P Methyl Glycidate (PMK Glycidate), 3,4-MDP-2-P Methyl Glycidic Acid (PMK Glycidic Acid), and Alpha-Phenylacetoacetamide (APAA) as List I Chemicals; Correction

AGENCY: Drug Enforcement Administration, Department of Justice.

ACTION: Final rule; correction.

SUMMARY: On May 10, 2021, the Drug Enforcement Administration published a final rule designating three chemicals, known as PMK glycidate, PMK glycidic acid, and APAA, as list I chemicals under the Controlled Substances Act (CSA). In an amendatory instruction, information specifying the precise location for entries added to a table was inadvertently omitted, which makes enactment of the amendment unworkable. This document corrects that omission.

DATES: Effective June 9, 2021.

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

45 CFR Part 1225

RIN 0420–AA27

Volunteer Discrimination Complaint Process

AGENCY: Peace Corps and Corporation for National and Community Service (CNCS).

ACTION: Final rule.

SUMMARY: The Peace Corps and CNCS finalize a proposed joint rule to amend the regulations that the Peace Corps and CNCS follow to process complaints of discrimination by volunteers and applicants for volunteer service. The current regulations were promulgated in January 1981 when the Peace Corps and domestic volunteer programs (such as VISTA, now subsumed by CNCS) were one entity under an organization called ACTION. At that time, Congress extended the statutory protections of the Civil Rights Act and other laws to such volunteers. Congress has since separated out the two agencies and has expressly removed the Peace Corps. As such, the regulations need to be updated.

DATES: This final rule is effective June 7, 2021.
