

**SUPPLEMENTARY INFORMATION:** Pursuant to Section 7503(a)(1)(A) of PEESA, as amended, the Secretary of State, in consultation with the Secretary of the Treasury, shall submit every 90 days a report to the appropriate congressional committees that identifies vessels that engaged in pipe-laying or pipe-laying activities at depths of 100 feet or more below sea level for the construction of the Nord Stream 2 pipeline project, the Turkstream pipeline project, or any project that is a successor to either such project. Pursuant to Section 7503(a)(1)(B) of PEESA, as amended, the Secretary of State, in consultation with the Secretary of the Treasury, shall also include in the report foreign persons that the Secretary of State, in consultation with the Secretary of the Treasury, determines have knowingly sold, leased, or provided, or facilitated selling, leasing, or providing, those vessels for the construction of such a project. Pursuant to Section 7503(c) of PEESA, as delegated, the Secretary of the Treasury, in consultation with the Secretary of State, shall exercise all powers granted to the President by the International Emergency Economic Powers Act to the extent necessary to block and prohibit all transactions in all property and interests in property of any

person identified under subsection (a)(1)(B) of PEESA if such property and interests in property are in the United States, come within the United States, or are or come within the possession or control of a United States person. Pursuant to Section 7503(f) of PEESA, as delegated, the Secretary of State, in consultation with the Secretary of the Treasury, may waive application of sanctions under PEESA if the Secretary of State determines that the waiver is in the national interests of the United States and submits to the appropriate congressional committees a report on the waiver and the reasons for the waiver. Pursuant to E.O. 13049, with respect to any foreign person identified by the Secretary of State, in consultation with the Secretary of the Treasury, in a report to the Congress pursuant to section 7503(a)(1)(B) of PEESA, all property and interests in property of such person that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person are blocked and may not be transferred, paid, exported, withdrawn, or otherwise dealt in.

On May 19, 2021 The Secretary of State determined, pursuant to Section

7503(a)(1)(B)(ii) of PEESA, as amended, that Nord Stream 2 AG and Matthias Warnig had knowingly, on or after January 1, 2021, facilitated deceptive or structured transactions to provide the pipe-laying vessel FORTUNA for the construction of the Nord Stream 2 pipeline project. On February 23, 2022, the Secretary determined that the waiver of sanctions on Nord Stream 2 AG, Matthias Warnig, and Nord Stream 2 AG corporate officers is no longer in the national interest of the United States and accordingly terminated the waivers. Therefore, on February 23, 2022, Nord Stream 2 AG and Matthias Warnig were added to the Specially Designated Nationals and Blocked Persons List (SDN List) pursuant to PEESA and E.O. 13049.
