Public Availability of Comments

Written comments we receive become part of the administrative record associated with this action. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

Next Steps

If we decide to issue a permit to an applicant listed in this notice, we will publish a notice in the **Federal Register**.

Authority

We publish this notice under section 10(c) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*).

Drue DeBerry,

Deputy Assistant Regional Director,
Mountain-Prairie Region.

Notice of Public Meeting of Scientific Earthquake Studies Advisory Committee

AGENCY: U.S. Geological Survey, Interior.

ACTION: Notice of teleconference meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act of 1972, the U.S. Geological Survey (USGS) is hereby giving notice that the Scientific Earthquake Studies Advisory Committee (SESAC) will meet as noted below.

DATES: The teleconference meetings will be held on Wednesday, July 30, 2025, from 11 a.m. to 5 p.m. Eastern Daylight Time (EDT); and on Thursday, July 31, 2025, from 11 a.m. to 5 p.m. EDT.

ADDRESSES: The meetings will be held via teleconference. Individuals that wish to participate must contact the person listed in the **FOR FURTHER INFORMATION CONTACT** at least three (3) business days prior to the meeting.

FOR FURTHER INFORMATION CONTACT: Dr. Gavin Hayes, USGS, by email at ghayes@usgs.gov or by telephone at 303–374–4449.

Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The teleconference meeting will be open to the public. The SESAC will review the current activities of the USGS Earthquake Hazards Program (EHP) and discuss future priorities. Agenda topics will include an EHP update, administration priorities and interactions, budget opportunities, balance of activities supported by the EHP, external grants, the National Earthquake Hazards Reduction Program, the National Seismic Hazards Model, ShakeAlert, reports from SESAC subcommittees, and preparation for a report to the USGS Director.

Meeting Accessibility/Special Accommodations: Please make requests in advance for sign language interpreter services, assistive listening devices, or other reasonable accommodations. We ask that you contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice at least seven (7) business days prior to the meeting to give the Department of the Interior sufficient time to process your request. All reasonable accommodation requests are managed on a case-by-case basis.

Members of the public wishing to participate in the teleconference meeting should contact Dr. Gavin Hayes by email at ghayes@usgs.gov at least three (3) business days prior to the meeting. Teleconference meeting call-in information and any updates to the

agenda will be provided via email to registered participants.

Time will be allowed at the public meeting for any individual or organization wishing to make formal oral comments. Depending on the number of people who wish to speak and the time available, the time for individual comments may be limited.

Written comments for the SESAC may be sent electronically in advance of the scheduled meeting to Dr. Gavin Hayes by email at ghayes@usgs.gov at least three (3) business days prior to the meeting. Any written comments received will be provided to the SESAC members.

Public Disclosure of Comments: Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, you should be aware that your entire comment—including your PII—may be made publicly available at any time. While you may ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Detailed minutes of the meeting will be available for public inspection within 90 days of the meeting.

(Authority: 5 U.S.C. 10.)

Marie Peppler,

Acting Deputy Associate Director for Natural Hazards, U.S. Geological Survey Earthquake Hazards Program.
