

concurrence concluded the consultation process required by ESA section 7(a)(2) and reflects the FWS's agreement with EPA that the approval of the State program meets the substantive requirements of the ESA.

B. National Historic Preservation Act

Section 106 of the National Historic Preservation Act (NHPA), 16 U.S.C. 470(f), requires Federal agencies to take into account the effects of their undertakings on historic properties and to provide the Advisory Council on Historic Preservation (ACHP) an opportunity to comment on such undertakings. Under the ACHP's regulations (36 CFR part 800), agencies consult with the appropriate State Historic Preservation Officer (SHPO) on federal undertakings that have the potential to affect historic properties listed or eligible for listing in the National Register of Historic Places.

On January 16, 2004, EPA provided the Arizona State Parks Board (which includes the SHPO) with EPA's determination that approval of Arizona's application would have no effect on historic properties in Arizona. On March 12, 2004, the Arizona State Parks Board concurred with EPA's determination.

C. Other Provisions

Based on General Counsel Opinion 78-7 (April 18, 1978), EPA has long considered a determination to approve or deny a State Clean Water Act (CWA) program submission to constitute an adjudication because an "approval," within the meaning of the Administrative Procedure Act (APA), constitutes a "licence," which, in turn, is the product of an "adjudication." For this reason, the statutes and Executive Orders that apply to rulemaking action are not applicable here.
