**SUPPLEMENTARY INFORMATION:** The BLM is considering issuing a coal lease as a result of an April 6, 2005, application made by Antelope Coal Company (Antelope) to lease the Federal coal in the West Antelope II coal tract. The purpose of the public hearing is to solicit comments on the DEIS, on the proposed competitive sale of the West Antelope II coal tract, and comments on the FMV and MER of the Federal coal.

Antelope originally applied for the tract in accordance with 43 CFR part 3425 in order to extend the life of the existing Antelope Mine. The applicant estimated that the tract includes approximately 429.7 million tons of in-place Federal coal underlying the following lands in Converse and Campbell Counties, Wyoming:
