

NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2011-0065]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Nuclear Regulatory Commission (NRC).

ACTION: Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

SUMMARY: The NRC invites public comment about its intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the **Federal Register** under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* Grant and Cooperative Agreement Provisions.

2. *Current OMB approval number:* 3150-0107.

3. *How often the collection is required:* Technical performance reports are required every six months; other information is submitted on occasion, as needed.

4. *Who is required or asked to report:* Grant and Cooperative Agreement Recipients.

5. *The number of annual respondents:* 350.

6. *The number of hours needed annually to complete the requirement or request:* 8,077 (7,540 reporting hours plus 537 recordkeeping hours).

7. *Abstract:* The Division of Contracts is responsible for awarding grants and cooperative agreements (financial assistance) for the NRC. The Division of Contracts collects information from assistance recipients in accordance with grant and cooperative agreement provisions in order to administer NRC's financial assistance program. The information collected under the provisions ensures that the Government's rights are protected, the agency adheres to public laws, the work proceeds on schedule, and that disputes between the Government and the recipient are settled.

Submit, by July 5, 2011, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?
