DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

[Prohibited Transaction Exemption 2002-06; Exemption Application No. D-10894, et al.]

Grant of Individual Exemptions; Brookshire Brothers, Ltd., et al.

AGENCY: Pension and Welfare Benefits Administration, Labor.

ACTION: Grant of individual exemptions.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

Notices were published in the **Federal Register** of the pendency before the Department of proposals to grant such exemptions. The notices set forth a summary of facts and representations contained in each application for exemption and referred interested persons to the respective applications for a complete statement of the facts and representations. The applications have been available for public inspection at the Department in Washington, DC. The notices also invited interested persons to submit comments on the requested exemptions to the Department. In addition, the notices stated that any interested person might submit a written request that a public hearing be held (where appropriate). The applicants have represented that they have complied with the requirements of the notification to interested persons. No public comments and no requests for a hearing, unless otherwise stated, were received by the Department.

The notices of proposed exemption were issued and the exemptions are being granted solely by the Department because, effective December 31, 1978, section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996), transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.

Statutory Findings

In accordance with section 408(a) of the Act and/or section 4975(c)(2) of the Code and the procedures set forth in 29 CFR Part 2570, Subpart B (55 FR 32836, 32847, August 10, 1990) and based upon the entire record, the Department makes the following findings:

(a) The exemptions are administratively feasible;

(b) They are in the interests of the plans and their participants and beneficiaries; and

(c) They are protective of the rights of the participants and beneficiaries of the plans.

Brookshire Brothers, Ltd. (Brookshire) Located in Lufkin, Texas

[Prohibited Transaction Exemption 2002-06 Application No. D-10894]

Exemption

Section I. Transaction

Section II. Conditions

A. The ESOP shall pay no consideration, interest or other fee or expense in connection with the Minimum Price Guarantee.

exemption, refer to the notice of proposed exemption (the Notice) published on September 7, 2001 at 66 FR 46837.

EFFECTIVE DATE: The exemption is effective as of November 19, 1999.

Written Comments

The Department received one comment letter with respect to the Notice. The comment letter was submitted by the Applicant's legal counsel, and concerned a typographical error in the Notice. The comment stated that the Profit Sharing Stock was transferred from the Profit Sharing Plan to the ESOP on November 19, 1999, rather than December 19, 1999 as stated in the Notice. Accordingly, the Applicant noted the following corrections:

First, Section III.C. would be restated to read as follows: "The term 'Profit Sharing Stock' means approximately 600,182 shares of the common stock of Brookshire Brothers Holding, Inc., Brookshire's parent company, transferred from the Profit Sharing Plan to the ESOP on November 19, 1999."

Second, the effective date of the exemption would be changed from December 19, 1999 to November 19, 1999.

Third, the second sentence of paragraph 3 of the Summary of Facts and Representations would read as follows: "As of November 19, 1999, the Profit Sharing Plan held approximately 600,182 shares of the common stock (the Stock) of Brookshire Brothers Holding, Inc. (Holding), Brookshire's parent company."

Finally, the first sentence of paragraph 4 of the Summary of Facts and Representations would read as follows: "On November 19, 1999, the Stock was transferred from the Profit Sharing Plan to the ESOP."

The Department concurs with the Applicant's comment and has modified the language of the final exemption accordingly.

After giving full consideration to the entire record, including the written comment, the Department has decided to grant the exemption as modified herein.

General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions to which the exemptions does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which among other things require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(B) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) These exemptions are supplemental to and not in derogation of, any other provisions of the Act and/

or the Code, including statutory or administrative exemptions and transactional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(3) The availability of these exemptions is subject to the express condition that the material facts and representations contained in each application accurately describes all material terms of the transaction which is the subject of the exemption.

SUPPLEMENTARY INFORMATION: On September 7, 2001, the Department published in the **Federal Register**, at 66 FR 46843, a Notice of Proposed Exemption that would amend PTE 97-08. PTE 97-08 provides an exemption from certain prohibited transaction restrictions of section 406 of the Employee Retirement Income Security Act of 1974 (the Act) and from the sanctions resulting from the application of section 4975 of the Internal Revenue Code of 1986 (the Code), as amended, by reason of section 4975(c)(1) of the Code. Specifically, PTE 97-08 provides retroactive exemptive relief from the restrictions of section 406(a)(1)(A) through (D) of the Act and the sanctions resulting from the application of section 4975 of the Code, by reason of section 4975(c)(1)(A) through (D) of the Code, for certain principal transactions between Plans and broker-dealers affiliated with MSC which are subject to British law (the MSC/UK Affiliates), the lending of securities that are assets of Plans to MSC/UK Affiliates, and any extensions of credit to Plans by MSC/UK Affiliates to permit the settlement of securities transactions or in connection with the writing of options contracts; provided certain conditions are satisfied.

The amendment was requested in an application filed on behalf of MSDW&Co, MSC, and any current and future U.K. broker-dealer affiliates of MSDW&CO and MSC, pursuant to section 408(a) of the Act and section 4975(c)(2) of the Code, and in accordance with the procedures set forth in 29 CFR 2570, Subpart B (55 FR 32836, August 10, 1990). Effective December 31, 1978, section 102 of Reorganization Plan No. 4 of 1978 (43 FR 47713, October 17, 1978) transferred the authority of the Secretary of the Treasury to issue exemptions of the type requested to the Secretary of Labor. Accordingly, this final exemption is issued solely by the Department.
