DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[B–81–2014]

Foreign-Trade Zone (FTZ) 114—Peoria, Illinois: Notification of Proposed Production Activity; Bell Sports, Inc. (Football Helmets), Rantoul, Illinois

Bell Sports, Inc. (Bell Sports) submitted a notification of proposed production activity to the FTZ Board for its facility in Rantoul, Illinois within FTZ Subzone 114F. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on November 7, 2014.

Bell Sports already has authority to produce certain sports equipment within Subzone 114F. The current request would add finished products and foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Bell Sports from customs duty payments on the foreign status materials/components used in export production. On its domestic sales, Bell Sports would be able to choose the duty rates during customs entry procedures that apply to collectible football helmets (duty rate 0%) for the foreign status materials/components noted below and in the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The materials/components sourced from abroad include: Decals; puff decals; mini- bows; clip-on ponytails; iron screws; 6mm screws; snap screws; t-nuts; and, hang tags (duty rate ranges from 0 to 7%). The request indicates that inputs classified under HTSUS Chapter 6307.90 will be admitted to the zone in privileged foreign status (19 CFR 146.41), thereby precluding inverted tariff benefits on such items.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is December 29, 2014.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the “Reading Room” section of the Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Christopher Kemp at christopher.kemp@trade.gov or (202) 482–0862.

Dated: November 12, 2014.

Elizabeth Whiteman,

Acting Executive Secretary.

Stainless Steel Bar From Spain: Preliminary Results of Antidumping Duty Administrative Review; 2013–2014

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on stainless steel bar (SSB) from Spain. The period of review (POR) is March 1, 2013, through February 28, 2014. The review covers one producer/exporter of the subject merchandise, Gerdau Aceros Especiales Europa, S.L. (Gerdau). We preliminarily determine that Gerdau had no shipments of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results.

DATES: Effective November 18, 2014.

FOR FURTHER INFORMATION CONTACT: Dmitry Vladimirov or Mino Hatten,

AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1690, and (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise subject to the order is SSB. The term SSB with respect to the order means articles of stainless steel in straight lengths that have been either hot-rolled, forged, turned, cold-drawn, cold-rolled or otherwise cold-finished, or ground, having a uniform solid cross section along their whole length in the shape of circles, segments of circles, ovals, rectangles (including squares), triangles, hexagons, octagons or other convex polygons. SSB includes cold-finished SSBs that are turned or ground in straight lengths, whether produced from hot-rolled bar or from straightened and cut rod or wire, and reinforcing bars that have indentations, ribs, grooves, or other deformations produced during the rolling process. Except as specified above, the term does not include stainless steel semi-finished products, cut-length flat-rolled products (*i.e.*, cut-length rolled products which if less than 4.75 mm in thickness have a width measuring at least 10 times the thickness, or if 4.75 mm or more in thickness having a width which exceeds 150 mm and measures at least twice the thickness), wire (*i.e.*, cold-formed products in coils, of any uniform solid cross section along their whole length, which do not conform to the definition of flat-rolled products), and angles, shapes and sections.

The SSB subject to the order is currently classifiable under subheadings 7222.10.00, 7222.11.00, 7222.19.00, 7222.20.00, 7222.30.00 of the Harmonized Tariff Schedule of the United States (HTSUS).

Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.¹

Preliminary Determination of No Shipments

We published in the *Federal Register* a notice of initiation of this administrative review of the antidumping duty order on SSB from

Spain covering one company, Gerdau.² On May 1, 2014, we requested the U.S. Customs and Border Protection (CBP) data for all entries of SSB by Gerdau during the POR and found that there were no entries.³ We received a timely submission from Gerdau reporting that it did not have sales, shipments, or entries of the subject merchandise during the POR.⁴ We transmitted a “No-Shipment Inquiry” to CBP regarding this company.⁵ Pursuant to this inquiry, we received no notification from CBP of entries of subject merchandise from Gerdau. Accordingly, based on record evidence, we preliminarily determine that Gerdau had no shipments of subject merchandise during the POR. Further, consistent with our practice, we find that it is not appropriate to rescind the review with respect to Gerdau, but rather to complete the review and issue appropriate instructions to CBP based on the final results of this review.⁶

Assessment Rates

For the final results, if we continue to find that Gerdau had no shipments of subject merchandise, following issuance of the final results of review, for entries of subject merchandise during the POR produced by Gerdau for which this company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate un-reviewed entries at the others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹²

We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Gerdau will remain unchanged from the rate assigned to the company in the most recently completed review of that company; (2) for other manufacturers and exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is,

the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 25.77 percent, the all-others rate established in the investigation.¹³ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: November 7, 2014.

Acting Assistant Secretary for Enforcement and Compliance.
