Kern River Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

October 12, 2004.

Take notice that on October 5, 2004, Kern River Gas Transmission Company (Kern River) tendered Ninth Revised Sheet No. 495 for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, to be effective November 1, 2004.

Kern River states that the purpose of this filing is to submit a corrected tariff sheet to replace the sheet filed in this proceeding on October 1, 2004.

Kern River states that it has served a copy of this filing upon each person designated on the official service list compiled by the Secretary in this proceeding.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest to the Federal Energy Regulatory

Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. KO Transmission Company; Notice of Tariff Filing

October 13, 2004.

Take notice that on October 8, 2004, KO Transmission Company (KOT) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, Sixteenth Revised Sheet No. 10, with a proposed effective date of November 15, 2004.

KOT states that the purpose of the filing is to eliminate the Gas Research Institute (GRI) surcharge, which is currently reflected on the rate sheet of KOT's Tariff, and to modify the Title Sheet consistent to Commission regulations.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or

protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Natural Gas Pipeline Company of America; Notice of Amendment to Certificate

October 13, 2004.

Take notice that on October 5, 2004, Natural Gas Pipeline Company of America (Natural), filed an abbreviated application under section 7 of the NGA, as amended, and sections 157.7 and 157.14 of the Commission's Regulations to amend the certificate authority that was previously granted in Docket No. CP03-51-000. By order issued July 29, 2003, Natural was authorized to drill six new injection/ withdrawal (I/W) wells and convert three observation wells to I/W wells at the Sayre Storage Field (Sayre) in Beckham County, Oklahoma.

Natural seeks amended certificate authority to convert a fourth observation well, in place of one of the original three observation wells authorized to be converted. Natural states that the well will be converted to I/W status, and the replaced well will continue to be used as an observation well. Natural believes this minor change in its existing certificate authority is in the public interest and urges prompt consideration
