## DEPARTMENT OF JUSTICE

[AAG/A Order No. 008-2006]

### United States Marshals Service; Privacy Act of 1974; System of Records

**AGENCY:** United States Marshals Service.  
**ACTION:** Notice of new system of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, 5 U.S.C. 552a, notice is given that the Department of Justice United States Marshals Service (USMS) proposes to establish a new system of records entitled, Merit Promotion Open Season Records System (MPOS) Justice/USM-019. This new system of records contains unclassified records collected pursuant to the USMS merit promotion plan program. The system consists of any information necessary to rate qualifications and make selections for criminal investigator positions at the GS-13 grade level or above, including employees' work experience; service computation dates; performance appraisals; and current job titles, series, and grades. The purpose of the merit promotion open season record system is to allow USMS 1811 criminal investigators to apply for positions during the year without waiting for vacancies to occur or new positions to be established and to, thereafter, receive consideration as positions become available.

**DATES:** In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment. The Office of Management and Budget (OMB), which has oversight responsibility under the Privacy Act, requires a 40-day period to conclude its review of the system. Therefore, please submit any comments by July 3, 2006.

**ADDRESSES:** The public, OMB, and Congress are invited to submit any comments to Mary E. Cahill, Management Analyst, Management and Planning Staff, Justice Management
