

King Jr. Avenue SE, Washington, DC 20593-7501.

FOR FURTHER INFORMATION CONTACT: Mr. Ryan Owens, Alternate Designated Federal Officer of the National Maritime Security Advisory Committee; Telephone 202-372-1108; or Email at ryan.f.owens@uscg.mil.

SUPPLEMENTARY INFORMATION: The National Maritime Security Advisory Committee is a Federal advisory committee. It will operate under the provisions of the *Federal Advisory Committee Act*, 5 U.S.C., Appendix, the administrative provisions contained in section 601 of the *Frank LoBiondo Coast Guard Authorization Act of 2018* (CGAA18), Public Law 115-282, 132 Stat. 4192, the *Maritime Transportation Security Act of 2002* (Pub. L. 107-295, November 25, 2002, as codified in 46 U.S.C. Chapter 701, 46 U.S.C. 70101 *et seq.*), and the provisions of section 15109 of Title 46 of the U.S. Code (46 U.S.C. 15109).

The establishment of the Committee is authorized under *Maritime Transportation Security Act of 2002* as amended by the *Frank LoBiondo Coast Guard Authorization Act of 2018*.

Under 46 U.S.C. 15109, the Committee is to advise the Secretary of Homeland Security on matters relating to national maritime security, including on enhancing the sharing of information related to cybersecurity risks that may cause a transportation security incident, between relevant Federal agencies and—

- A. State, local, and tribal governments;
- B. relevant public safety and emergency response agencies;
- C. relevant law enforcement and security organizations;
- D. maritime industry;
- E. port owners and operators; and
- F. terminal owners and operators.

The Committee is required to hold meetings at least once a year in accordance with 46 U.S.C. 15109(a). We expect the Committee to meet at least twice a year, but it may meet more frequently.

The members listed above are appointed to represent the interests of their respective organizations or associations. They are only considered Special Government Employees, as defined in 18 U.S.C. 202(a), for purposes of (1) 5 U.S.C. 8101-8193; (2) 28 U.S.C. 2671-2680; (3) any other Federal law relating to tort liability; and when they are existing Special Government employees as provided in 46 U.S.C. 15109(e)(2)(B).

The only compensation the members may receive is for travel expenses,

including per diem in lieu of subsistence, and/or actual and reasonable expenses incurred in the performance of their direct duties at the Committee.

Under the provisions in 46 U.S.C. 15109(f)(6), if you are appointed as a member of the Committee, your membership term will expire on December 31 of the third full year after the effective date of your appointment. In this initial solicitation for Committee members, we will consider applications for 21 positions:

- Port authorities.
- Facilities owners and operators.
- Terminal owners and operators.
- Vessel owners and operators.
- Maritime labor organizations.
- The academic community.
- State and local governments.
- The maritime industry.

Each member of the Committee must have particular expertise, knowledge, and experience in matters relating to the function of the Committee, which is to advise the Secretary of Homeland Security on the matters described above.

Under 46 U.S.C. 15109(f)(4), its members are required to apply for, obtain, and maintain a government national security clearance at the Secret level. The U.S. Coast Guard will sponsor and assist candidates with this process.

Registered lobbyists are not eligible to serve on Federal Advisory Committees in an individual capacity. See “*Revised Guidance on Appointment of Lobbyists to Federal Advisory Committees, Boards and Commissions*” (79 FR 47482, August 13, 2014). Registered lobbyists are “lobbyists,” as defined in 2 U.S.C. 1602, who are required by 2 U.S.C. 1603 to register with the Secretary of the Senate and the Clerk of the House of Representatives.

The Department of Homeland Security does not discriminate in selection of Committee members on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disabilities and genetic information, age, membership in an employee organization, or any other non-merit factor. The Department of Homeland Security strives to achieve a widely diverse candidate pool for all of its recruitment selections.

If you are interested in applying to become a member of the Committee, send your cover letter and resume to Mr. Ryan Owens, Alternate Designated Federal Officer of the National Maritime Security Advisory Committee via one of the transmittal methods in the

ADDRESSES section by the deadline in the **DATES** section of this notice. If you send your application to us via email,

we will send you an email confirming receipt of your application.

Dated: January 31, 2020.

David C. Barata,

Captain, U.S. Coast Guard, Director of Inspections and Compliance.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA-2020-0002; Internal Agency Docket No. FEMA-B-2009]

Proposed Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). In addition, the FIRM and FIS report, once effective, will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings.

DATES: Comments are to be submitted on or before May 18, 2020.

ADDRESSES: The Preliminary FIRM, and where applicable, the FIS report for each community are available for inspection at both the online location https://www.fema.gov/preliminary_floodhazarddata and the respective Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS

report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

You may submit comments, identified by Docket No. FEMA-B-2009, to Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Map Information eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: FEMA proposes to make flood hazard determinations for each community listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be

construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and are used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the revised flood hazard information shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of

the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at https://www.floodsrp.org/pdfs/srp_overview.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location <https://www.fema.gov/preliminaryfloodhazarddata> and the respective Community Map Repository address listed in the tables. For communities with multiple ongoing Preliminary studies, the studies can be identified by the unique project number and Preliminary FIRM date listed in the tables. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.
