SUPPLEMENTARY INFORMATION: This agreement reestablishes a matching program between the IRS and the DOJ to provide DOJ with the mailing addresses of taxpayers to assist DOJ in its effort to collect or to compromise debts owed to the United States. DOJ will provide IRS with an electronic file containing the names and Social Security Numbers (SSN) of individuals who owe debts to the U.S. and whose debts have been referred to DOJ for litigation and/or enforced collection. The IRS provides direct notice to taxpayers in the instructions to Form 1040, and constructive notice in the **Federal Register** system of records notice. The notice informs taxpayers that information provided on the income tax returns may be given to other Federal agencies, as provided by law. For the records involved in this match, both IRS and DOJ have provided constructive notice to record subjects through the publication, in the **Federal Register**, of systems of records notices that contain routine uses permitting disclosures consistent with this matching program.

Participating Agencies

The participating agencies include: DOJ and the IRS.

Authority for Conducting the Matching Program

This matching agreement is executed pursuant to 5 U.S.C. 552a(o), the Privacy Act of 1974, as amended, and sets forth the terms under which the IRS agrees to disclose taxpayer mailing addresses to the DOJ. This matching program is being conducted under the authority of the Internal Revenue Code § 6103(m)(2), and the routine uses published in the agencies' Privacy Act systems of records

notices for the systems of records used in this match. This provides for disclosure, upon written request, of a taxpayer's mailing address for use by officers, employees, or agents of a Federal agency for the purpose of locating such taxpayer to collect or compromise a Federal claim against the taxpayer in accordance with Title 31, §§ 3711, 3717, and 3718. These statutory provisions authorize DOJ to collect debts on behalf of the United States through litigation.

Purpose(s)

The purpose of this program is to provide DOJ with the most current addresses of taxpayers, to notify debtors of legal actions that may be taken by DOJ and the rights afforded them in the litigation, and to enforce collection of debts owed to the United States.

Categories of Individuals

Individuals who owe debts to the United States and whose debts have been referred to the DOJ for litigation and/or enforced collection.

Categories of Records

DOJ will submit the nine-digit SSN and four-character Name Control (the first four letters of the surname) of each individual whose current address is requested. IRS will provide:

- a. Nine-digit SSN and four-character Name Control; and
- b. The latest street address, P.O. Box, or other address, city, State and ZIP Code, only if the input SSN and Name Control both match the Individual Master File (IMF); or
- c. A code explaining that no match was found on the IMF.

System(s) of Records

DOJ will provide records from the Debt Collection Enforcement System, JUSTICE/DOJ-016, last published in its entirety at 77 FR 9965 (February 21, 2012). This system of records contains information on persons who owe debts to the United States and whose debts have been referred to the DOJ for litigation and/or enforced collection. DOJ records will be matched against records contained in Treasury's Privacy Act System of Records: Customer Account Data Engine (CADE) IMF, Treasury/IRS 24.030, last published at 80 FR 54082 (September 8, 2015). This system of records contains, among other information, the taxpayer's name, SSN, and most recent address known by IRS.

In accordance with 5 U.S.C. 552a(o)(2)(A) and 5 U.S.C. 552a(r), the Department has provided a report to the Office of Management and Budget

(OMB) and Congress on this new Computer Matching Program.

Dated: June 10, 2022.
