SUPPLEMENTARY INFORMATION:

Background

On October 31, 2017, Commerce published in the **Federal Register** the preliminary affirmative determination of sales at LTFV in the antidumping duty (AD) investigation of biodiesel from Indonesia.¹ On December 8, 2017, Commerce published a postponement notice, extending the due date of the final LTFV determination until February 15, 2018.² Commerce invited comments from interested parties on the *Preliminary Determination*.³ The petitioner, Wilmar, and Musim Mas filed case and rebuttal briefs on both sales and cost issues.⁴ In addition, the Government of Indonesia filed a case brief. Commerce exercised its discretion to toll deadlines affected by the closure of the Federal Government from January 20 through 22, 2018. The revised deadline for the final determination of this investigation is now February 20, 2018.⁵ A summary of the events that occurred since Commerce published the *Preliminary Determination*, as well as a full discussion of the issues raised by interested parties for this final determination, may be found in the

See, e.g., *Biodiesel from Argentina and Indonesia: Antidumping and Countervailing Duty Petitions*, dated March 23, 2017. The mandatory respondents in this investigation are Wilmar Trading PTE Ltd. All deadlines in this segment of the proceeding have been extended by 3 days. If the new deadline falls on a non-business day, in accordance with Commerce’s practice, the deadline will become the next business day. See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, as Amended*, 70 FR 24533 (May 10, 2005).

Scope of the Investigation

The product covered by this investigation is biodiesel from Indonesia. Commerce did not receive any scope comments subsequent to the *Preliminary Determination* and, therefore, the scope has not been updated since the *Preliminary Determination*. See the scope in Appendix I to this notice.

Period of Investigation

The POI is January 1, 2016, through December 31, 2016.

Verification

As provided in section 782(i) of the Act, we conducted the cost and sales verifications of Wilmar in Medan, Indonesia, Singapore, and Pearland, Texas, in October and November, 2017. We used standard verification procedures, including an examination of relevant accounting and production records, and original source documents provided by the respondents.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties in this investigation are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. A list of the issues raised is attached to this notice as Appendix II.

Changes Since the Preliminary Determination

Based on our analysis of the comments received and our findings at verification, we made certain changes to the margin calculations. For a discussion of these changes, see the Issues and Decision Memorandum.
