## DEPARTMENT OF COMMERCE

### International Trade Administration

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of initiation of five-year ("sunset") review.

**SUMMARY:** In accordance with section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department of Commerce ("the Department") is automatically initiating a five-year ("sunset") review of the antidumping duty order listed below. The International Trade Commission ("the Commission") is publishing concurrently with this notice its notice of *Institution of Five-Year Reviews* covering this same order.

#### FOR FURTHER INFORMATION CONTACT:

James P. Maeder, or Martha V. Douthit, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, at (202) 482-3330 or (202) 482-5050, respectively, or Vera Libeau, Office of Investigations, U.S. International Trade Commission, at (202) 205-3176.

#### SUPPLEMENTARY INFORMATION:

##### Initiation of Review

In accordance with 19 CFR 351.218 (see *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13516 (March 20, 1998)), we are initiating a sunset review of the following antidumping duty order:

DOC ITC Case No.	ITC Case No.	Country	Product
A-570-840 .....	A-724 .....	China .....	Manganese metal

### Statute and Regulations

Pursuant to sections 751(c) and 752 of the Act, an antidumping ("AD") or countervailing duty ("CVD") order will be revoked, or the suspended investigation will be terminated, unless

revocation or termination would be likely to lead to continuation or recurrence of (1) dumping or a countervailable subsidy, and (2) material injury to the domestic industry.

The Department's procedures for the conduct of sunset reviews are set forth

in *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13516 (March 20, 1998) ("Sunset Regulations"). Guidance on methodological or analytical issues relevant to the Department's conduct of

sunset reviews is set forth in the Department's Policy Bulletin 98:3—*Policies Regarding the Conduct of Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*; Policy Bulletin, 63 FR 18871 (April 16, 1998) ("*Sunset Policy Bulletin*").

### Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the *Sunset Regulations* and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (i.e., previous margins, duty absorption determinations, scope language, import volumes), and service lists, available to the public on the Department's sunset internet website at the following address: "www.trade.gov"

All submissions in the sunset review must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303 (2000). Also, we suggest that parties check the Department's sunset website for any updates to the service list before filing any submissions. The Department will make additions to and/or deletions from the service list provided on the sunset website based on notifications from parties and participation in this review. Specifically, the Department will delete from the service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review are, in many instances, very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306 (see *Antidumping and Countervailing Duty Proceedings: Administrative Protective Order Procedures; Procedures for Imposing Sanctions for Violation of a Protective Order*, 63 FR 24391 (May 4, 1998)).

### Information Required from Interested Parties

Domestic interested parties (defined in 19 CFR 351.102 (2000)) wishing to participate in this sunset review must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate.

The required contents of the notice of intent to participate are set forth in the *Sunset Regulations* at 19 CFR 351.218(d)(1)(ii). In accordance with the *Sunset Regulations*, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review.

If we receive an order-specific notice of intent to participate from a domestic interested party, the *Sunset Regulations* provide that *all parties* wishing to participate in the sunset review must file substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth in the *Sunset Regulations* at 19 CFR 351.218(d)(3). Note that certain information requirements differ for foreign and domestic parties. Also, note that the Department's information requirements are distinct from the International Trade Commission's information requirements. Please consult the *Sunset Regulations* for information regarding the Department's conduct of sunset reviews. Please consult the Department's regulations at 19 CFR Part 351 (2000) for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: December 20, 2000.

*Assistant Secretary for Import Administration.*

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Extension of Time Limit for Preliminary Results of Countervailing Duty Administrative Review.

**EFFECTIVE DATE:** January 2, 2001.

### FOR FURTHER INFORMATION CONTACT:

Jarrold Goldfeder or Melani Miller at (202) 482–0189 and (202) 482–0116, respectively, Office of AD/CVD Enforcement I, Group I, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW., Washington, DC 20230.

### The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act and all citations to the regulations are to 19 CFR part 351 (2000).

### Time Limits

#### Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

#### Background

On June 30, 2000, the Department published a notice of initiation of administrative review of the countervailing duty order on stainless steel plate in coils from Belgium, covering the period September 9, 1998, through December 31, 1999 (65 FR 41942).<sup>1</sup> The preliminary results for the countervailing duty administrative review of stainless steel plate in coils from Belgium are currently due no later than January 31, 2001.

#### Extension of Preliminary Results of Review

Because of the complexity of certain issues in this review (e.g., change in ownership, the significance of outstanding programs, and the investigation of new programs), it is not practicable to complete the preliminary results of this review within the original time limit. See *Memorandum from Team to Richard W. Moreland*,

<sup>1</sup> Due to a clerical error, the POI was accurately reflected in a subsequent **Federal Register** notice. See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Requests for Revocation in Part and Deferral of Administrative Reviews, 65 FR 64662 (October 30, 2000).
