Title of Collection: Report of Children Receiving Early Intervention Services in Accordance With Part C; Report of Program Settings in Accordance with Part C; Report on Infants and Toddlers Exiting Part C.

OMB Control Number: 1820–0557.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 56.

Total Estimated Number of Annual Burden Hours: 5,311.

Abstract: Section 618 of the Individuals with Disabilities Education Act (IDEA), Public Law 108–446, directs the Secretary of Education to obtain data on the number and percentage of infants

and toddlers with disabilities, by race, ethnicity, and gender, who are receiving early intervention services, the number and percentage of infants and toddlers, by race and ethnicity, who are at risk of having substantial developmental delays (as described in Section 632), and who are receiving early intervention services under Part C, and the number and percentage of children with disabilities, by race, ethnicity, and gender, who, from birth through age 2, stopped receiving early intervention services because of program completion or for other reasons. The specific legislative authority for these data collections may be found in Section 618(a)(1)(B), Section 618(a)(1)(C), Section 618(a)(2) and Section 618(a)(3). This package provides instructions and forms necessary for States to report the number of children receiving early intervention services under Part C of IDEA, the settings in which these children are provided services, and the reasons by which these children exit Part C of IDEA. The form satisfies reporting requirements and is used by OSEP to monitor State agencies and for Congressional and public reporting. No adjustments were made to this data collection therefore we anticipate no change in the response burden associated with this data collection. The Department of Education is interested in public comment addressing the COVID crisis. Specially, are there any considerations to these data collections due to the national emergency caused by the novel Coronavirus disease 2019 (COVID–19). Please note that written comments received in response to this notice will be considered public records.
